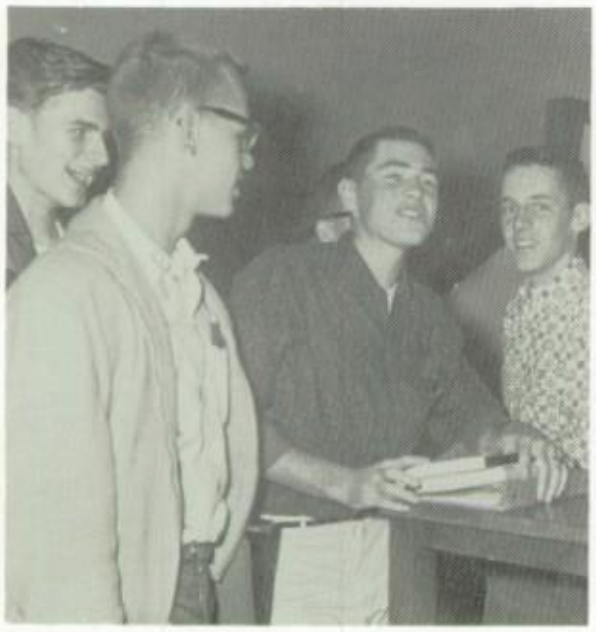
The Students Symbolize

Science, as a predominant factor in modern life, is rapidly changing our nation. Since the atom was first smashed, various scientific inventions have been transforming the every-day world. Atomic powered jets, new chemicals, and electronic computers are only a few significant contributions of the atom to humanity.

Because America's schools have made additional contributions to mankind and because the educational system is essential to American progress, institutions such as M. H. S. may be compared to a powerful atom. The young men and women of Muskegon Senior High form the protons and neutrons of a student nucleus around which the electrons in the atom revolve. Our school atom contains four electrons. The first electron consists of administration, faculty, and classes which charge the nucleus. Electron number two, the organizations, orbit about the pupils causing them to dispel nuclear energy. The year's hi-lites represent a third electron which balances the atomic valence of our school. There is still another electron, the advertising staff for **Said and Done.** This completes an atom that must work together in a single harmonious system. A state of orderly co-operation is achieved in the completion, and co-operation is responsible for the enormous progress our educational institutions have made. As the chemist's atom is a vital part of science so the school-atom is a vital part of American ideals and American life.



Tom Zatalokin typifies the average student at M.H.S. who helps to create the changes and activity noticed around the campus. Here he visits with buddies before the last bell rings for home room.

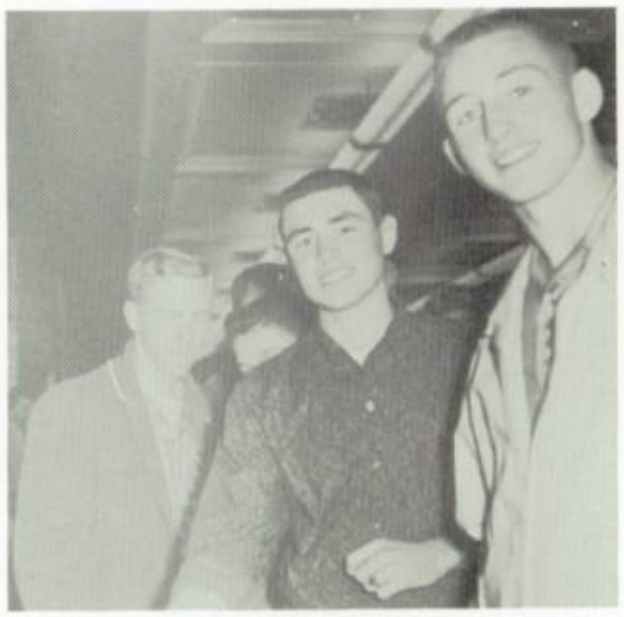
Making final touches on a theme, Tom keeps busy during home room, while listening to announcements.

Research requires using facilities in the library.

Clarifying a doubtful problem, Tom confers with his mathematics instructor, Mr. Rolfe.

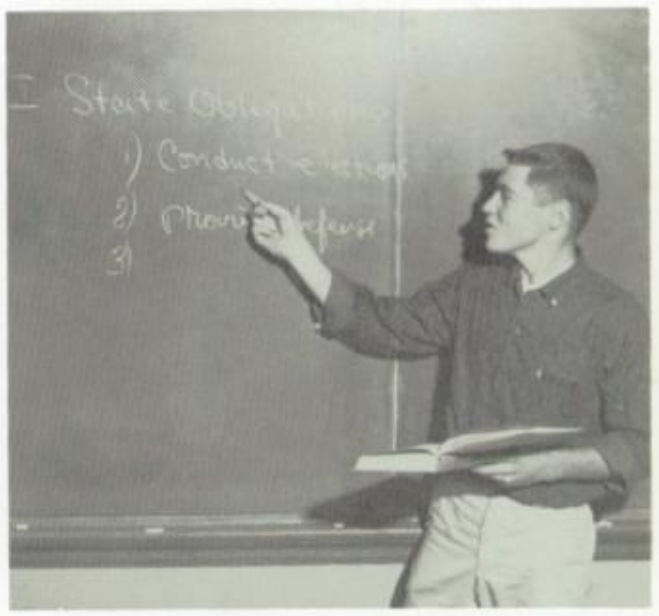
the Nucleus in the Atom

Working out a problem in physics helps Tom to be informed in scientific facts.



In line for his lunch, Tom feels the need to nourish his body with well balanced food.

Time out to talk with a friend is a moment of relaxation for Tom.



Learning about our government helps make Tom a more responsible citizen.

Thus the typical school day ends for one typical M. H. S. high school student. But for a moment come with us through the pages of time to review your days at Muskegon Senior High School.

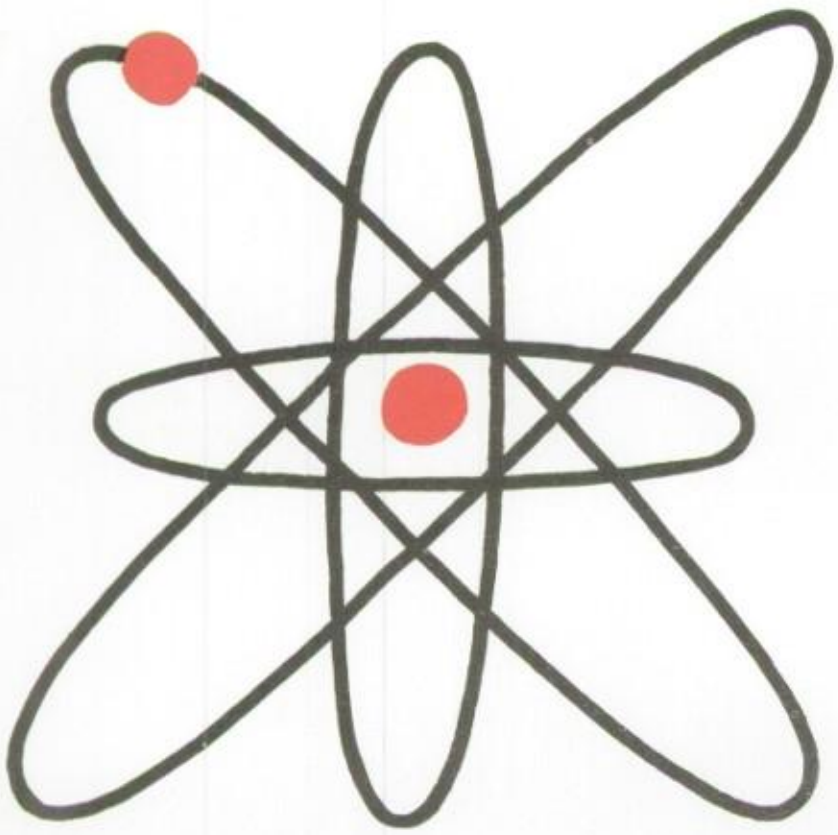
Dedication

Miss Hitchcock spent her years at M. H. S. going about her duties with quiet dignity and pleasant demeanor. She always gave one the feeling of having everything under control at all times. We remember her for her cooperation and willingness to assist with whatever needed to be done. She served as class advisor and often handled the ticket sales for school dramatics and musical productions.

Not only did Miss Hitchcock give of her time and energy to school affairs, but also to her church and benevolent groups. She served as untiringly in these capacities.

Surely we shall remember her for her fine character and the inspiration she gave to us all.

So to Miss Hitchcock go our good wishes.



Students Are

Basic Chemical Elements

M. H. S. students, whom teachers vigorize with education – molecules, constitute the basic chemical elements of a school year. The satellite of academic life continuously revolves around our students, causing the liberation of their atomic energy through diversified methods that may include anything from cramming for "the big" exam, to banging locker doors, and zooming through the halls in rocket-fashion.

Quite a variation from all this helter-skelter, are the priceless counsel and instruction which students receive, preparing themselves for future positions in our community, in our nation, and in a changing world.

Seniors Take Spotlight In Activities

Through each successive year at Muskegon High School the class of 1960 has discovered that school life can hold many memories. As Sophomores they were amazed by the new atmosphere that surrounded them. As Juniors they began to know and understand what went on about them, and then, as Seniors they were classified as responsible people. Many important jobs were placed on their shoulders for execution.

The class of 1960 has indeed made itself known. It was very ably served by Tom Hammond as president, Jim Alberts as vice-president, Merri Lee Knapp as secretary, Hollee Beadle as treasurer, Barb Heneveld as parliamentarian, Jan Dephouse as reporter, Dan Poort as historian, and Judy Decker and Jim Jesperson as sergeant-at-arms.

The Seniors could certainly not have attained the goals for which they were striving without the aid of their sponsors. Assisting Mr. Carlson, head sponsor, were Mrs. Mayrose, Mr. Weaver, and Mr. Ritcheske.

At our homecoming Rita Sayles was chosen to reign as queen with Terry Locke as king. The senior attendants were Merri Lee Knapp, Roxie Pierce, Joe Rhodea, and Jim Erickson. This year the football team was co-captained by Terry Locke and Joe Rhodea. Later in the year Dave Nelson acted as co-captain of our basketball team. Several seniors have won honors in scholastic achievements. Other students took their places in sports, debate, vocal and instrumental music, and all the many other activities of the year.

From left to right, SITTING: Hollee Beadle, Judy Decker, Barb Heneveld, Merri Lee Knapp, Tom Hammond. STANDING: Jim Alberts, Jan Dephouse, Jim Jesperson, and Don Poort.

High Spirited Juniors Always On The Go

Filled with dreams of success, the Juniors entered this year with high hopes that their second year at M. H. S. would surpass any so far.

After much competition last fall the officers elected to lead the class were Mike Crosby, president; Al Williams, vice-president; Sally Anderson, secretary; Diane Baker, treasurer; Larry Cone and Betty Pickle, sergeant at arms; Gary Reed, parliamentarian; Andrea Bovich, historian; and Ted Price, class reporter. Mrs. Brothers, Mrs. Schuler, Mr. Skipper, and Mr. Partenio acted as advisors.

The big social event for the Junior girls was the Junior Tea given by Shirley Wood, Pat DeWald, Jane Zachariason, Joan Tourcotte, Betty Pickle, Joyce Fredericks, Sally Anderson, Brenda Thunfors, and Lydia Scholle.

The Juniors were more aware of their closing high school days as they proudly displayed their class rings. The major project of the class revolved around the planning and production of the Senior Prom as the final farewell to their classmates.

Leading the Juniors ever upward are: FRONT ROW (left to rigrt): Ted Price, Gary Reed, Andrea Bovich, and Betty Pickle. SECOND ROW: Mike Crosby, Diane Baker, Larry Cone, Al Williams, and Sally Anderson.

Enthusiastic Big Red boosters leave Hackley Stadium after a rousing pep assembly.

Sophomores Dream Of Successful Years Ahead

Though somewhat bewildered by clouds which obscured the path ahead, 820 Sophomores looked forward to the days when they would make their mark in M. H. S. history. They started the year with a smile and a dream. Their smiles were for the new friends they would meet, and the dreams were of three years of new experiences.

Although high school was a new experience for the Sophomores, they got off to a good start by electing Ann Bolthouse, president; Sue Meyer, vice-president; Ruth Ann Gustafson, secretary; and Bob Morley, treasurer. Mrs. Dykema, Mrs. Gainey, Mr. Curnalia, Mr. Roelofs and Mr. Toppen gave needed advice.

Always full of pep and energy these cheerleaders, Barb Klecka, Sandy Benedict, Sheryl Kienke, Virginia Elliot, and Loretta Camastos spurred on the Little Reds.

After a very successful year at M. H. S. the Sophomores are looking forward toward a future as next year's juniors. They welcome a chance to expand their knowledge and prove to the world that high school can be filled with days of success.

Inspiring Sophomores onto successful years are: (left to right): Ruth Ann Gustafson, Bob Morley, Sue Meyer, and Ann Bolthouse.

Faculty Serv

As Radar Stations

The administration and faculty are essential factors in operating M. H. S. The specific task of the former embraces the establishment of variegated rules and regulations which help to preserve the orderly functioning of the school system. The latter, our competent teaching staff, supervise separate classes or atomic radar stations of knowledge. Knowledge transmitted from these radar stations envelopes such broad topics as history, science, languages, and mathematics. Thus, it can easily be seen that every instructor launches missiles of learning in classes, thereby charging each pupil's battery with wisdom.

Pupils Develop Original Ideas and Talents

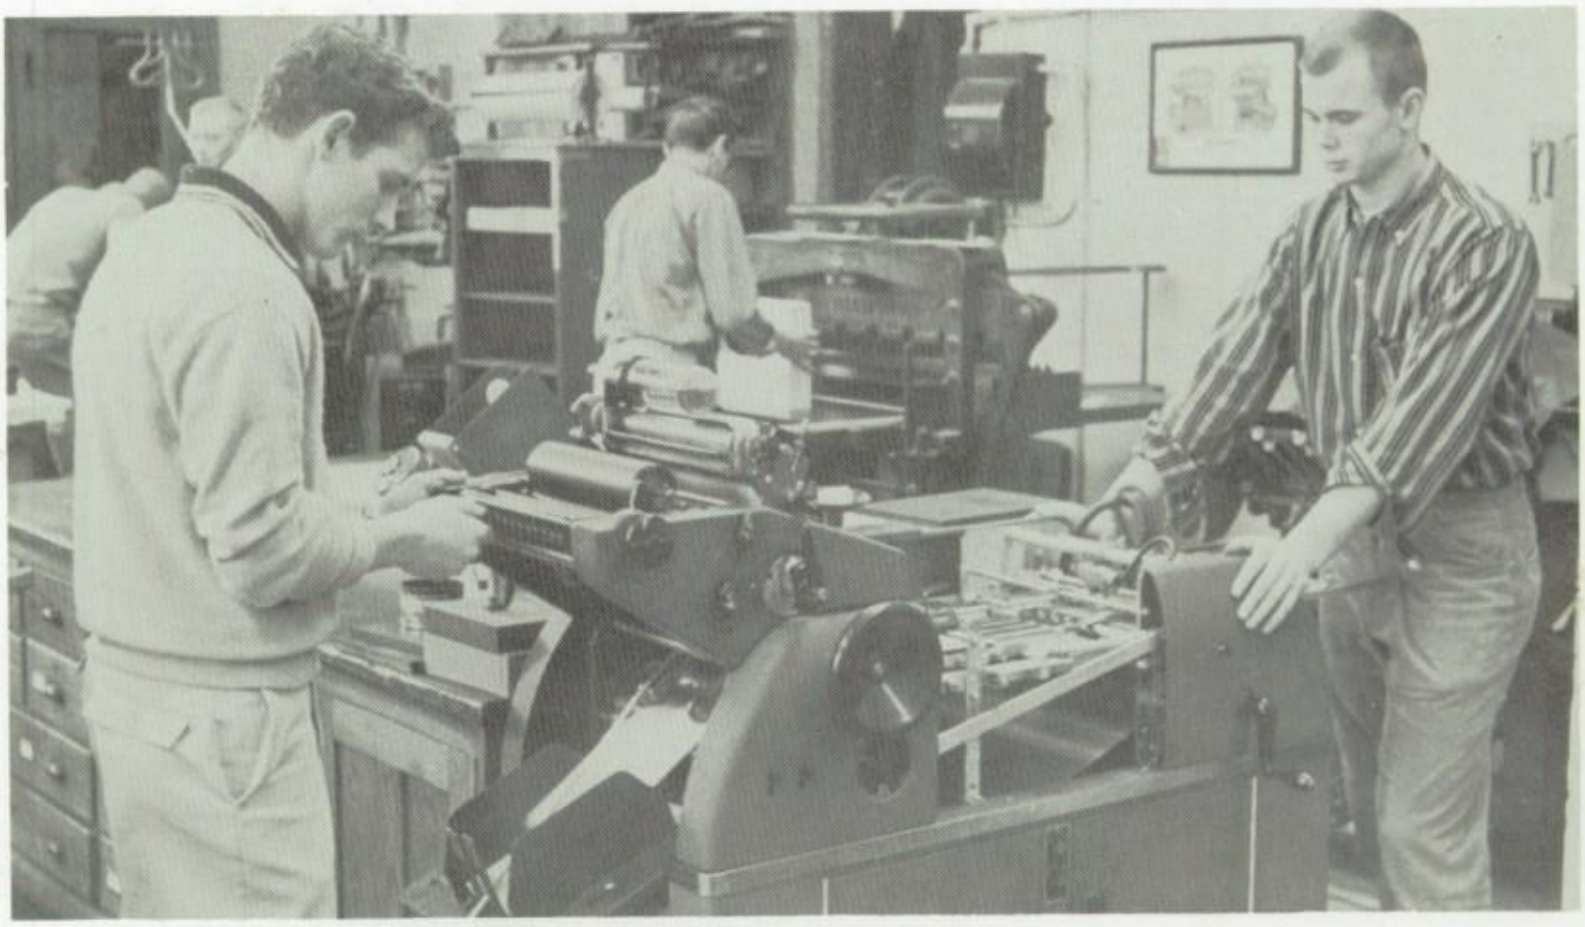
Jerry Grevel shows uninterrupted concentration as he works on his architectural drawing.

Dexterity Plus Accuracy Show Results

Linda Walker sews diligently, dreaming of the good times she will have wearing her formal.

Carol Lehman and Beatrice Martin find speed and accuracy are the important fundamentals of first year typing.

In office machines class Bonnie Wohlfard gradually improves her skill upon the adding machine through practice.

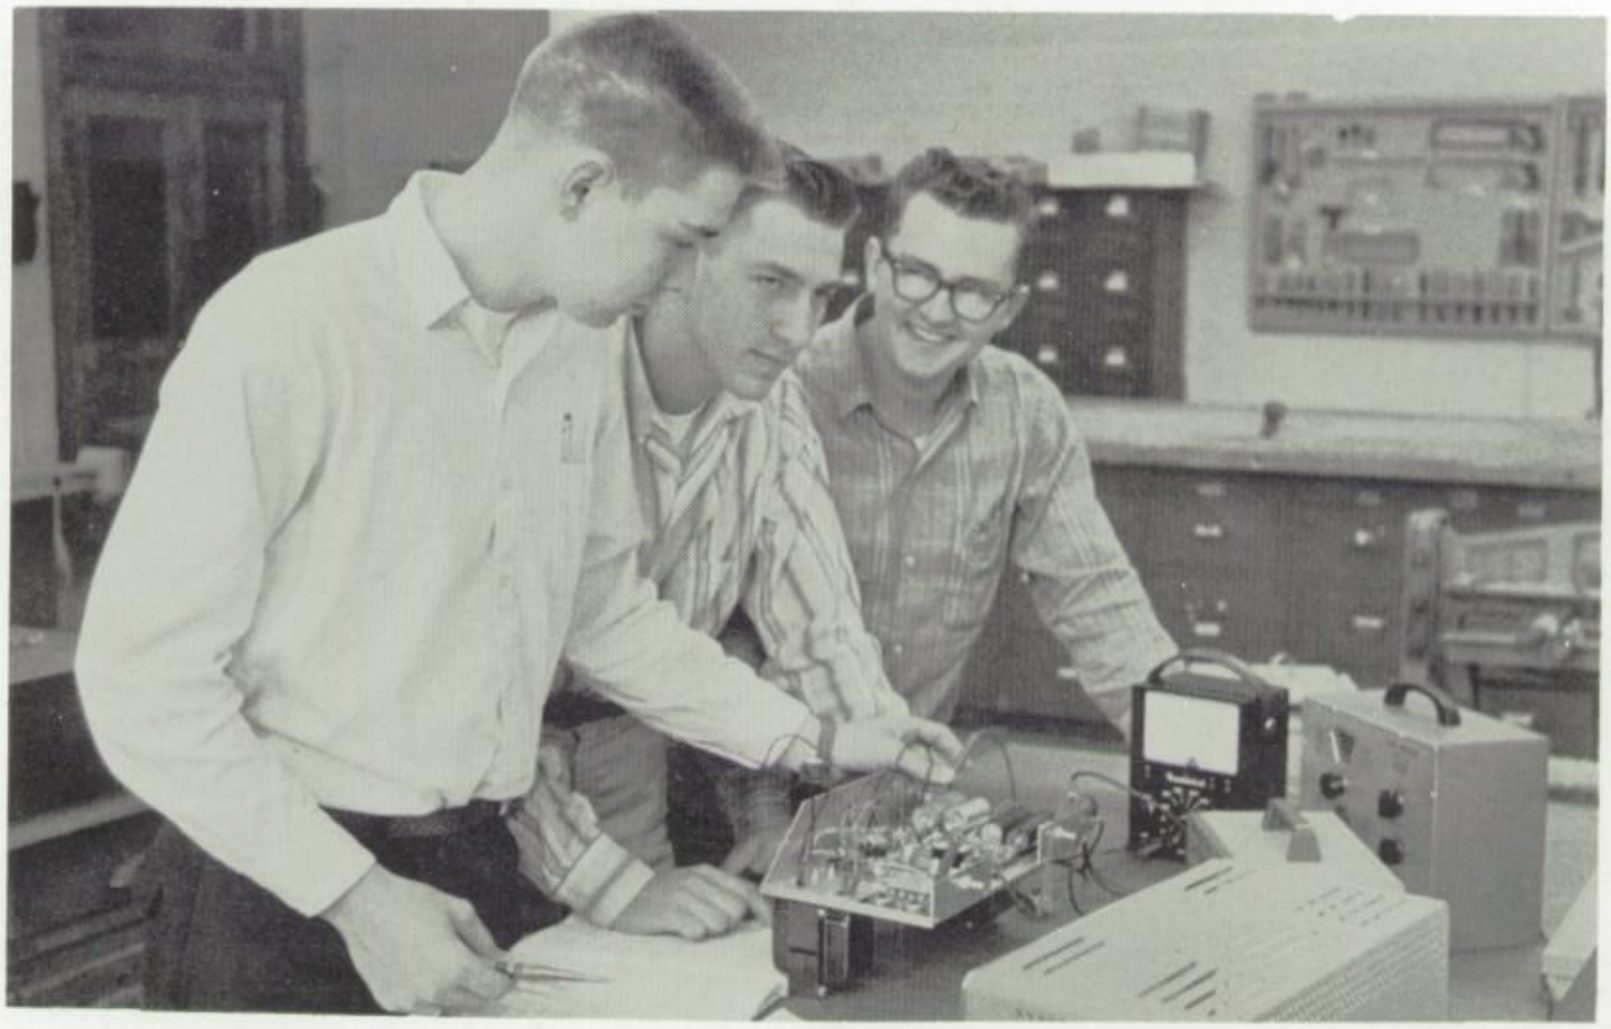


Chuck Luhman and Don Kuhn keep their eyes on the copy as they manipulate the offset press.

Techniques that Develop the Mind and Hands . . .

Muskegon High School students wishing to develop manual skills or pursue special trades may participate in the Hackley Manual training program, which offers a wide variety of courses including automechanics, printing, machine shop, and foundry working. Pupils, who select such courses as these, obtain the valuable knowledge and experience which prepares them for future occupations.

Doug Cope discovers that it takes many careful techniques to weld properly.



Robert Wood, Sidney Moseler, and Art Mattson find it very enjoyable learning how to run a variable power supply.

Are A Necessity

To Our Everyday Living

If a student desires, he may add to this experience by taking part in a co-operative training program that enables him to attend school and also work at an outside job on a part-time basis. Part-time jobs have many advantages, the most conspicuous being the student's salary. An even greater benefit, however, is the contribution Muskegon is making through the training of competent youth, to America's field of skilled labor.

Troy LaLone finds it takes a good deal of concentration to manipulate a lathe to obtain a smooth surface.

Don Anderson holds the interest of the class as he retells his story in French.

Language, Speech, Writing, Research. . . .

Catherine Pengilly and Sharon Repta find our library helpful in finding references for their studies.

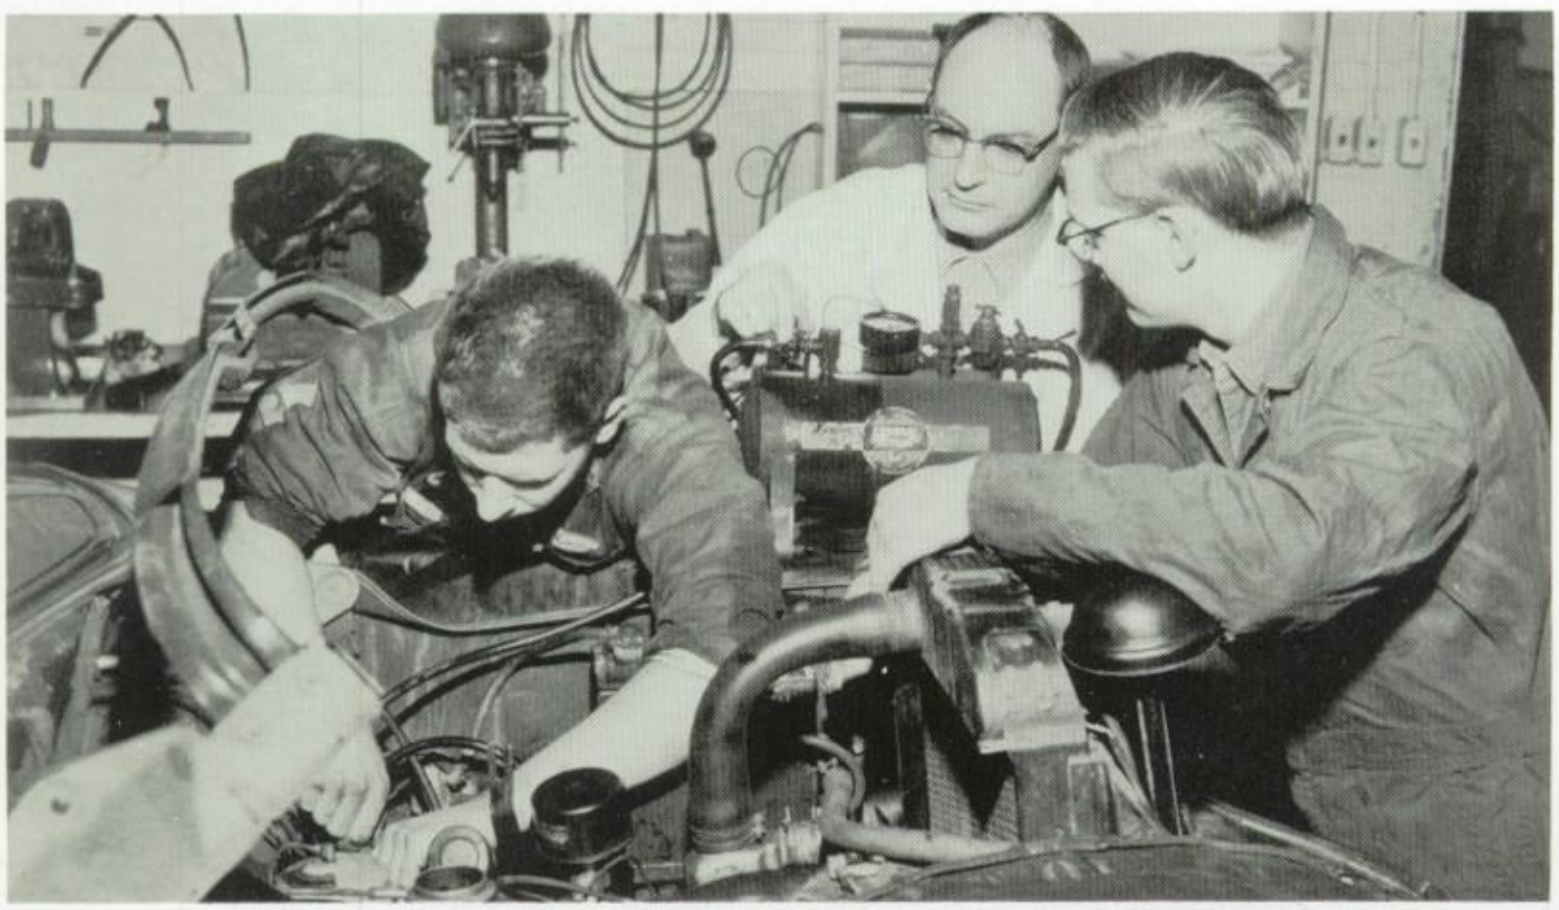
Our journalism class has many opportunities to have distinctive visitors such as Mr. Mohamed El-Afandi, an Egyptian student at the University of Michigan.

Are Vital For Clear Expression

Bruce Buteyn, Doug Walvoord, Sharon Repta, and Marlyn Booker develop their arguments, eagerly waiting to win all their upcoming debates.

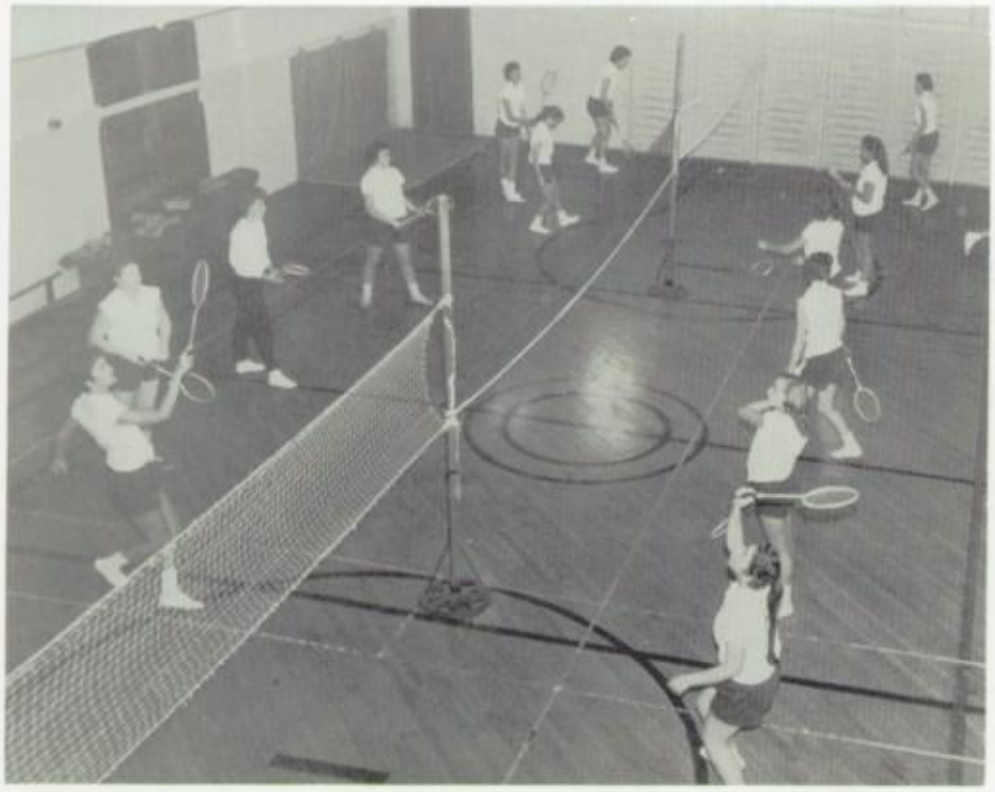
Students Cope With Test Tubes and Carburetors

Neil DeBoer, Doug Edson, and Sharon Garbow find chemistry a very interesting class especially when trying a new experiment.



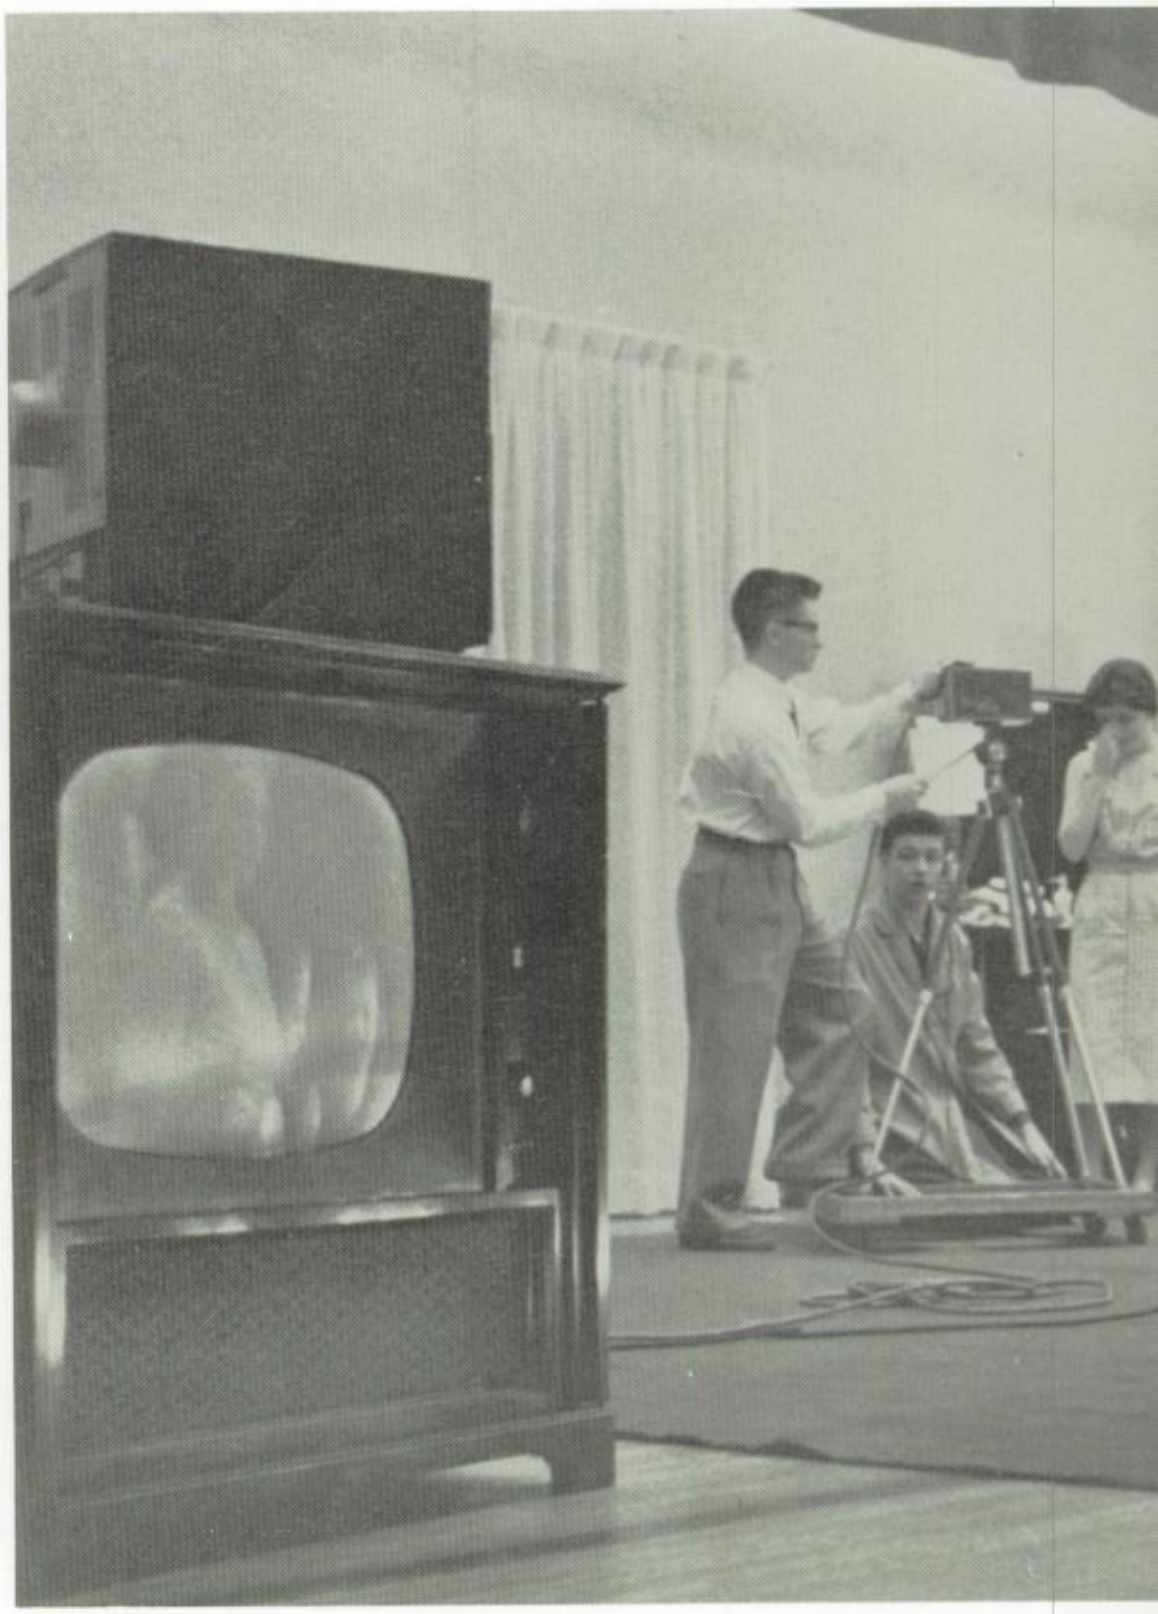
Mr. Chalker assists Leland Hittle and Norman Pugh in checking for leaks in the lubricating system.

Gym, Band Need Rhythm and Coordination



Badminton is just one of the popular sports played by the girls gym class.

Our Muskegon Senior High School Band members practice long hours to keep up their wonderful reputation.



Activities Utiliz

Potential Energy

Do you possess potential energy? Well, a vast number of organizations which offer opportunities for acting, singing, giving concerts, planning parties, and participating in sports are in orbit at M. H. S. proving that school spirit, as usual, is at high tide.

Some clubs promote cultural interests; some encourage scholastic ability, and all are a pleasant addition to an already marvellous educational curriculum which is as well-developed as the atom itself.

A Capella Choir

A Cappella Choir has a membership of eighty-one. The officers and section leaders of A Cappella Choir make up a "Choir Cabinet," or ruling body of the choir, which works with the officers of the other choral groups on joint events and projects as well as those which involve only A Cappella Choir. The choir cabinet meets each Thursday during the first lunch period. A Cappella is one of the busiest organizations with requests for their programs made 6 months to one year in advance. It attended the annual District and State Choir Festivals this year.

Madrigalians

The Muskegon Madrigalians are basically a madrigal group. Members of this group are selected through audition to sing in a small ensemble of mixed voices for advanced singers. This group performs about as much as A Cappella Choir and requests for their appearances are often made 6 months to a year in advance due to their popularity. In addition to the programs it shares with the other groups, Madrigalians perform for numerous church and civic organizations and participates in the District Solo and Ensemble Festival each year.

Girls' Choir

M. H. S. Girls' Choir provides for girls who are more advanced singers to sing in a select glee club for girls. This group presents programs for local church and civic groups throughout the school year plus the programs it shares with the other choirs. Last year Girls' Choir sang at the Easter Assembly and participated for the first time in the District Festival. They plan to participate again this year.

Senior High Chorus

Senior High Chorus is a mixed chorus open to all students who like to sing regardless of previous experience. An audition is not required. This group provides the student with the opportunity of a first step toward MHS Girls' Choir, A Cappella Choir, or Madrigalians.

Concert and Symphonic Band

The 1959-60 Marching Band had an organization with the largest number in M. H. S. history.

The band did its pre-season drilling at the Smith-Walbridge Camp in Syracuse, Indiana, for the third year in a row. The band, like the orchestra was heavily hit by graduation and many important positions had to be filled. Lack of finance prevented any outside or out-of-town game appearances -- but they appeared regularly with new and different half-time presentations at all home games. The band also appeared at pep assemblies and in addition provided community service to both the Fire Prevention Parade and the Veterans Day Parade. With limited personnel and very limited funds the band had a very successful year in spite of their handicap.

The Concert Band was made up of the overflow of players who were unable to be utilized in the Symphonic Band. Because demand of a concert nature are not as great on this group, they had the time to play for school activities, thus concentration on a more specific concert type of program. However, Concert Band performed along with the Symphony Band in both its Midwinter and Spring Concerts. Membership in the Symphonic Band is always open to Concert players by audition.

M. H. S. Orchestra

The M. H. S. Orchestra had a fine season winning its fourteenth consecutive first award in both District and State Music Festivals. During the school year the orchestra played at twelve Kiwanis Concerts, appeared in concert jointly with the band, performed at the Thanksgiving and Honor Assembly. Personnel included sixty-five members.

Youth For Christ

Y. F. C. is a dynamic club that started its activities at the beginning of the school year. The club's main purpose is to reach other teenagers at M. H. S. for Christ. It has had many main projects which included after-football fellowships at various churches, making up Christmas baskets, having a holiday hayride, and two tremendous quiz teams well versed on the Bible.

The meetings included musicals, skits, with student participation, and well-known international speakers.

Carmenta Literary Society

One purpose of Carmenta is to study and enjoy literature. Literary reports are given for try-outs by each girl and a report is given by each new member at the regular meetings.

Another purpose of Carmenta is to further worthwhile projects in our school and in our community. American Field Service is one of their projects for which they raise money to send a student to Europe. They also have a Thanksgiving and Christmas project. The traditional dance, "The Cotton Ball," is put on by members every year in May for the purpose of raising money for the American Field Service project.

Nan Weatter and Sally Dalson admire the poster held by Janet Diedericksen. Carmenta sponsors a M. H. S. student for foreign exchange every summer.

Spanish Club

The Spanish Club of Muskegon Senior High School has been organized to promote greater interest and better understanding of the Spanish-speaking peoples of the world.

Social meetings are held on the second Monday of each month at 7:00 P. M. in room 202. The members meet for business purposes, however, on the last Thursday of the month after school. Any individual enrolled in a Spanish class or having had 2 years of Spanish is eligible for membership.

Members of the club participate in various activities. Special "fiestas," singing, and slides on Spain or the Latin American nations are only a small part of this organization's functions.

Arthur Bates and Lee Gerard admire the figurines of the Christmas Creche displayed by Bev Gage and Paulette Droppers.

Junior Classical League

The Latin Department at M. H. S. boasts three firsts which make it truly unique: a department choral group and an orchestra, which performed at our annual Christmas and Awards programs; and a "teacher's paradise," a class of only seven fourth year students. Our school provides a four year Latin course encompassing all phases of Roman life and language. Each year the Latin Department provides a scholarship for someone who will be taking a course in the classics in college.

French Club

Some of the activities carried on by the French Clubs this year at their bi-monthly meetings and at their parties have been playing games in French, singing French songs, presenting skits, discussing projects, seeing slides and movies, hearing talks, and visiting the art gallery.

The members also contributed to **Care**, carried on correspondence with French students, and carolled at the hospitals during the Christmas season.

Booster Club

The Muskegon Senior High School Booster Club met regularly twice each month. During the football and basketball seasons these meetings often lasted over an hour in taking up only the business at hand. This business all amounted to a concerted effort of cheerleaders and the Booster Club, putting into effect various activities to raise the morale and enthusiasm to a pitch that made Muskegon renowned as a school with real school spirit. Other activities included the selling of pom-pons and Booster badges, chartering busses for excursions, decorating goal posts, posting pep-signs and helping work out stunts for pep sessions.

The Booster Club contributed generously to the American Field Service campaign as well as giving Christmas baskets to needy families and contributing to other charities.

Debate Squad

The twenty-six members of debate keep busy acquiring and applying material for both the affirmative and the negative sides to this year's topic: Resolved that the federal government should substantially increase regulation of labor unions.

Muskegon Senior High is a member of the West Shore Debate League and the State League. The West Shore League is composed of Muskegon Heights, Catholic Central, Grand Haven, Fremont, and Muskegon Senior High.

The qualifications for a debater are hard work and research, good study habits, and logical clear thinking.

Speech Guild

All those MHS students interested in assembly speaking, public discussion, and various other speech activities are sure to be found in the happy fellowship of Speech Guild. This interesting organization, formed in 1950, encourages public speaking interests, provides speaking experience, and acts as a public service organization.

One of the favorite activities of Speech Guild is discussion groups. On many occasions they are called upon by various civic and church groups to present a discussion on some interesting and timely subject. Speech Guild also held discussions after school for the benefit and enjoyment of the student body on such topics as television, radio, clothes, customs, cars, and many others.

Thespians

The aim of National Thespians organization is two-fold: to establish and promote standards of excellence in all phases of speech arts and to create an active and intelligent interest in speech arts among students. This organization supplies its members with letters of accomplishment for college entrance.

Members of National Thespians must earn 100 hours to become inducted members. At present there are 12 members who have met the basic requirement. Some 35 other students have earned hours toward meeting the basic requirement by debating, dramatics, public address announcing, radio and assemblies.

Thespians presented a 3-act comedy, "Take Care of My Little Girl" last fall. In a scene from the play are Priscilla Hanson, Gordon Luhman, Lorrie Leutscher, and Don Basham.

Masque

Masque activities this year included a complete three-act play presented in the fall and the performance of three one-act plays in the spring.

Jane Eyre was presented on November 20, and 21, as the three-act play. Costumes from New York were ordered, and antique furniture from all over the city was gathered to give the presentation real authenticity. The scene was set in a nineteenth century English atmosphere.

The one-act plays were presented in March, and were entirely student directed. Three seniors are chosen to direct these plays, and a junior, or perhaps another senior, was the assistant director for each play.

Members for Masque are chosen each year through try-outs which are held early in the fall. The members are chosen for their acting ability, and backstage knowledge.

A unique initiation party was held on November 14, for the new and old members of Masque. Each person dressed as a character from a play, and prizes were given for the best girl's and boy's costume. Mr. VanCamp was the advisor.

A tense moment in "Jane Eyre" is evident. Players are: Bride, Chris Hartman; Rochester, Tom Carlson; Minister, Bill Waddell; Sally Wickerink, Dave Holdren, and Carl Howell.

Student Council

A student governing body to promote good relations between faculty and students and to improve school conditions during the year are the main objectives of the M. H. S. Student Council.

In addition to supervising the used book store and the annual Homecoming, Student Council members participated in the Safe-Teen club and helped with the clean-up campaign. Every year Student Council helps to bring a foreign exchange student to M. H. S. through the M. A. P. campaign.

Keyhole

The M. H. S. Campus Keyhole is in new quarters with new reporters this year. Room J6 in the "annex" is used to formulate the ideas, events, and facts that the newspaper prints to enlighten the student body.

Editor-in-chief, Marilyn Booker and columnist, Roy Burch, assisted by page editors, reporters, and photographers, present their ideas concerning school topics.

This year the staff and Mr. Harrison, advisor, are working with Mr. Hartman, administrative assistant, and, by using articles and picture stories, promoted a campaign to stamp out the problem of smoking on campus. Special editions were put out in the fall and spring besides the monthly editions.

Said And Done

The members of our yearbook staff have made it their purpose to present to the remainder of the student body as accurate and as vivid an account of the school year as possible. It was through the tireless efforts of SAID and DONE's personnel that pictures were secured, indispensable information obtained, and the M.H.S. story written.

Senate Fine Arts Society

Senate Fine Arts Society is a representative Assembly much like the Upper House of The United States Congress. It is composed of fifty eleventh and twelfth grade girls each representing a state of the Union.

This year its contribution toward world peace was the adoption of a Chinese boy whom it supported for the second consecutive year. Senate is divided into committees, one for each month, who plan and arrange one cultural and service project each month.

To encourage and promote the fine arts, Senators attend many cultural meetings such as attendance at theater plays and music programs.

Service projects, directed toward the school and community, benefit all including the senators. Social activities indulged in by the Senators are the annual Senate-Carmenta Party, a house party, a "come as you are" induction party, and many, many more.

Future Nurses Association

The girls who are working toward a future as a nurse, have banded together to form a club. These girls at M. H. S. are not alone in this matter as there are F. N. A. clubs scattered all over the U. S. A.

The girls in this organization strive to learn all they can about nursing as a profession.

The information gathered helps them decide for certain whether or not they want to follow nursing as a profession. The Home Nursing lessons they receive will help them in their later lives.

Future Teachers Association

The teaching profession sets high standards for itself. For all to see, it has hung out the sign, "Only the Best Shall Teach." Successful teachers invite outstanding students to consider teaching in relation to the abilities and interests of each. This is the basic purpose of the F. T. A.

Some of the projects completed by the group are providing a Christmas basket for a needy family and they went as a group, along with their advisor Mrs. Storms, to hear talks and see pictures on teaching abroad.

Teaching is the largest profession in the world and an indispensable one.Without teachers, who would develop and train our doctors, lawyers, scientists or any of our skilled population?

Future Homemakers Association

The purpose of Future Homemakers is to promote a growing interest in home economics and more community participation. The Future Homemakers help with many problems of the homemaking department.

They met twice a month to plan projects and activities. They have dressed Goodfellow dolls and have taken trips for career study and community interest. For their social activities they had a Mother and Daughter Banquet, parties, and special speakers.

They bought a silver tea service by selling candy, and having various cupcakes sales. They serve at luncheons, dinners, and other events.

Y Teens

Genial, serviceable, and beneficial are words appropriately used to describe the Y-Teen group at M. H. S.

The organization's main purpose is to build Christian character. They fulfill this aim by participating in many projects thru the year including: a drive for UNICEF, a filling of a Thanksgiving and Easter basket to cheer a family, a study of the various religions, an ice skating party, and an evening of entertainment for the Marquette Orthopedic School.

Hi-Y

The boys in the M. H. S. Hi-Y Club apply their motto to their high purpose: "To create, maintain, and extend throughout the school and community, high standards of Christian character." In turn, an application of the Hi-Y purpose is a contribution to World Service, a Y. M. C. A. organization endeavoring to help the needy overseas, and a contribution to our own Community Fund. Thus, the boys attempt to set a good example of Christian character for others to follow.

The M. H. S. Hi-Y club meets in the "Y" and takes advantage of the fine "Y" pool and bowling alleys.

Service Squad

The primary job ot the boys on the Service Squad is the setting up and operating of motion picture projectors. Every morning, before school, the squad members move the projectors and set them up in class rooms signed for a movie. During study halls operators sign out to show movies where an operator is not available in the class. Besides the moving picture projectors, film strip and slide projectors, tape recorders, and record players are also available.

Most work done by the squad is voluntary; there is no pay except a pin given as recognition for three years service. However, there is one job where pay is given. This is for advance operators only and is the operation of the Arc Lamp Projectors in the auditorium for a public performance.

Library

The purpose of the club members is to provide social fellowship for those with the same interest, explore their interests and abilities in relation to library work, and to help their school in the field of library service.

Some of their special events were an Initiation Party, a candy sale, a project for Radio Free Europe, Book Week, Library Week, a TAB book sale and SLAAM. Also a project for collecting **Life** (Oct. 6) for Russia. In addition, the group published an alumni bulletin every other month which was sent to 125 former members.

Their advisors are Mrs. Elliott and Mrs. Senf.

Varsity Club

The thirty-five members of Varsity Club have had a busy year fulfilling their purpose of promoting better understanding of athletics with the school. Their activities have included services to the school such as assisting at the football and basketball games, handling the flag ceremony, selling refreshments, giving assistance to the visiting team and officials. In addition they have raised funds to donate to the M. A. P. program, to purchase a new football scoreboard, and to buy the emblems given to the club members who are outstanding in their sport.

To round out the year the boys enjoyed a picnic at Norton Beach.

Football Makes Comeback

Our Big Red gridders ran into rough luck the first part of the season, but bounced back to be one of the finest teams in the state. With a 4 win 5 loss record they ranked among the top 15 teams in the state. The team, defensively weak at the beginning of the season, shaped into a fine working unit as the schedule progressed. As Coach Baldwin would say, "the team finally jelled" in the sixth game, going on to crush their last four opponents.

Locke, Crosby, Roberts, and Erickson run through a play in pre-season practice

Roberts congratulates winners at Catholic.

The crushing attack of the LANSING SEXTON team gave the Big Reds their first defeat of the season. The final score being 20-7 in favor of Sexton.

Over-eagerness by our Big Reds took its toll in the second grid game of the season staged at Flint's Atwood Stadium. FLINT CENTRAL'S victory was inflicted on our team only after a rugged, hard-fought battle.

The CATHOLIC CENTRAL Crusaders galloped over the Big Reds on their way to a 27-7 victory in the third tilt of the season. The fans saw some exceptional passing by Jim Erickson and ball-carrying by Gene Roberts. A pass from Jim to Gene gave us our lone T. D. of the game.

The Spirit Runs High

Our Big Reds showed vast improvement as they met BENTON HARBOR in the fourth game of the season. Although coming out on the short end of a 35-12 score, there was no downheartedness on the squad, for they knew they had put forth their best effort.

Muskegon lost 28-18 to FLINT NORTHERN at our Homecoming game at Hackley Stadium. The fans saw our defensive faults of previous games overcome, forcing Flint to take to the air in three out of their four touchdowns.

Our Big Reds ended their "losing streak" as it outclassed undefeated TRAVERSE CITY 21-0, in a mud-bowl special. It was a team victory as each player could be called a standout. One fine play saw Gene Roberts, our "galloping ghost," intercept a pass and fight back 35 yards before being forced out of bounds.

Terry takes a muddy breather.

Crosby "plows" through for a good gain

The Big Reds tore through and around GRAND RAPIDS Union to win 46-14. The finale of the game came when Terry Locke broke away from a Union defense to run 89 yards for a touchdown.

Terry Locke and Gene Roberts guided our team to a 48-0 victory over BATTLE CREEK. Roberts alone compiled 181 yards, surpassing the total by the Bearcats. Terry Locke did the same, gaining 122 yards. Fine line play by Sylvester Kazmierski, Bill Arnson, and Joe Rhodea also stood out.

The Big Reds battled both their rivals and the elements to overtake HEIGHTS 12-6 in the traditional game of the season. One of the highlights of the game was the fine work of returning fullback Mike Crosby, who added considerably to the team's yardage.

Season Ends With Impressive Team

THIRD ROW: Kutches (Head Coach), Strong, Moore, Wilder, Rogers, Clarke, Hansen, Olson, German, Pickel; Harp, Partenio, (Ass't Coaches).

Little Reds Have Victorious Season

The Little Reds posted an impressive season record of six wins and one loss. Big Red coach, Paul Baldwin, expects a great deal of help next year from this fine squad. Coached by Pete Kutches and John Partenio, the team defeated Muskegon Catholic Central, Grand Haven, Battle Creek, Grand Rapids Union, and Benton Harbor. The only loss inflicted upon Muskegon occurred in the second Catholic game, and that was only by a small margin. Outstanding performances during the year were turned in by Tom McShannock, Jim Lindgren and Jim Cooke on the line, and Gordon Corey, Willie German, and Sam Moore in the backfield.

Moore plunges for first down.

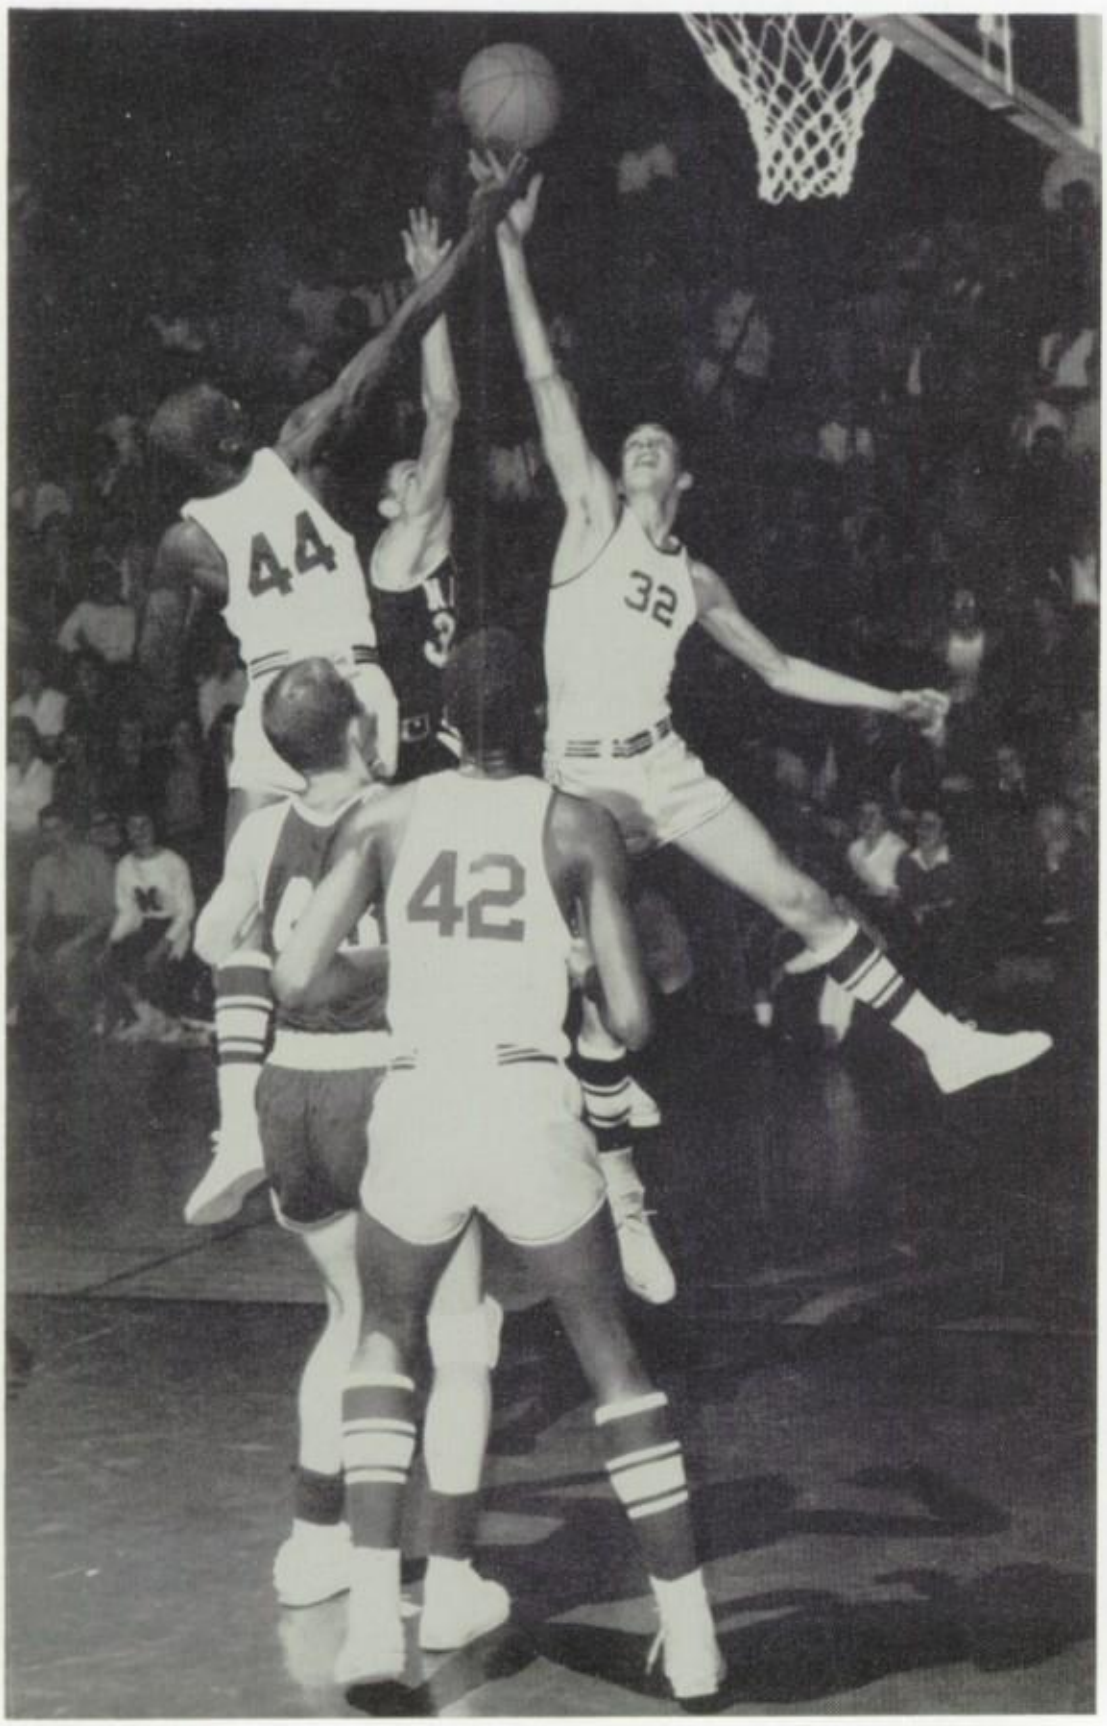
Muskegon Captures District Crown

Muskegon's Big Reds with outstanding wins over Muskegon Catholic Central and Muskegon Heights captured the district crown at Central Campus. Led by Sam Moore and Dave Nelson the team downed Catholic 81-61 and Heights 67-62. A week later, Captain Nelson set a Godwin Heights Gym scoring record by tossing in 40 points as Muskegon defeated Alpena 97-76. The following night the Big Reds ran into a "hot" Grand Rapids South team and lost 65-43.

Muskegon's Big Reds, under the excellent coaching of Ed Hager, "ran" to a very successful season of eleven wins and only four losses. Captain Dave Nelson led his team in scoring with 218 Points, followed by Al Nichols with 209, and Sam Moore with 198.

Muskegon started out its colorful cage season at CATHOLIC CENTRAL, with Coach Hager unveiling two talented sophomores in Sam Moore and Ben Strong. The Big Reds won "going away" 73-38, with Nelson and Strong controlling the backboards and Nichols and Moore supplying the points.

Nelson tips it in for two more points.



Muskegon next encountered TRAVERSE CITY. This game, marked by the ball stealing of Mike Pedler and Nichols, ended in a 61-42 victory for our Big Reds.

On December 10, Muskegon played host to MUSKEGON HEIGHTS, in what many considered to be the "finest game played in this area in five years." It was a nip-and-tuck battle all the way, with the Heights finally taking it by a score of 86-85.

The day after the Heights game, Muskegon traveled to BATTLE CREEK. The long trip, plus the game the night before proved to be too much for our Big Reds. Although they put up a gallant fight, the final score was a close - - - 56-57.

The following week Muskegon encountered GRAND HAVEN at Central Campus. The Big Reds displayed fine team spirit and play, which led them to an 87-59 victory.

GRAND RAPIDS CATHOLIC was the next team to meet our hustling Big Reds. With Nelson and Strong rebounding, and Moore and Pedler ringing up points, we came out with a 65-45 victory.

Muskegon took a trip down to HOLLAND for its next cage battle. The Dutch beat us at our own game by out-running and out-hustling the Big Reds. The final score was 66-72, with Holland on top.

Muskegon scored 85 points or better for the third time this year when they whipped NILES 85-70. A fine display of aggressivness and team work was again shown in this game.

The downstate Tigers from BENTON HARBOR were next on the agenda for the Big Reds. Muskegon went into the game a slight underdog, but with outstanding rebounding, coupled with teamwork and accurate shooting we again were able to snare a victory - - - 72-69.

Muskegon then took a cross-town trip to C. F. Bost Gym where they found MUSKEGON HEIGHTS ready and waiting. The Tigers forced our Big Reds into too many mistakes, handing Muskegon its last loss of the season 57-39.

On January 29, Muskegon took the short trip to GRAND HAVEN where we outshot the Bucs in a 76-59 victory.

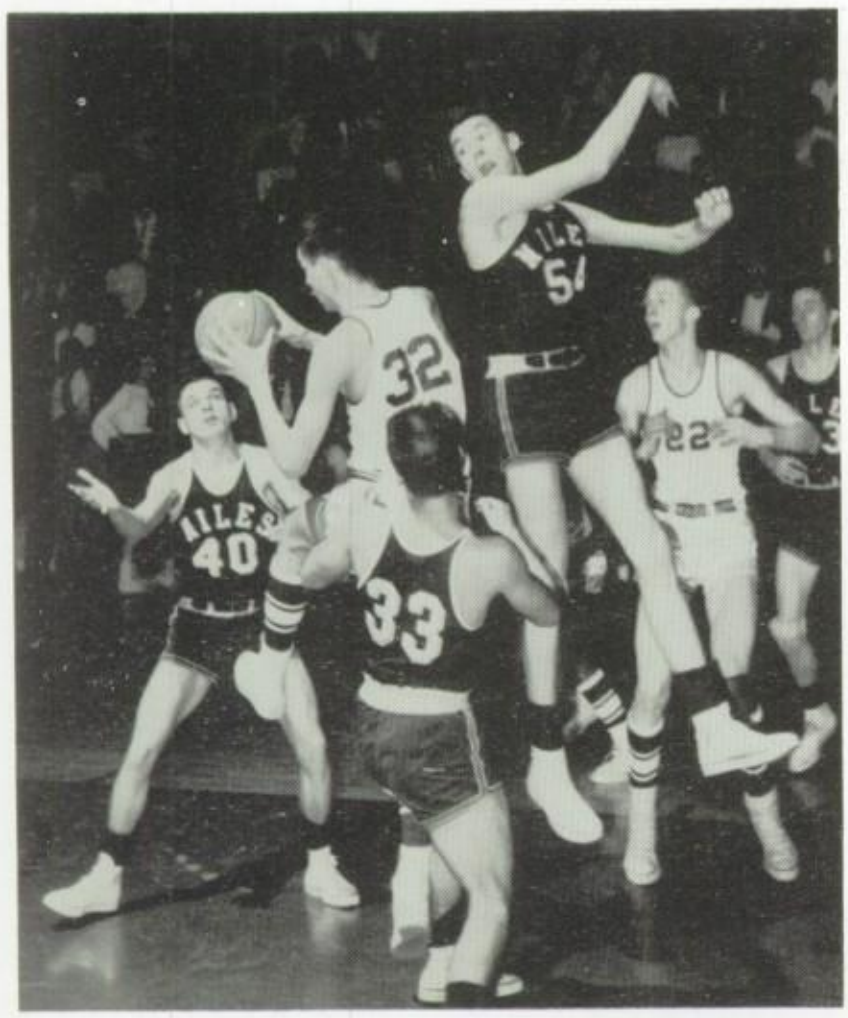
Fast Breaks Make For Top Scores

Nelson successfully grabs the re-bound.



The HOLLAND DUTCHMEN made the trip to Muskegon the following week. The Big Reds gained sweet revenge for their earlier loss by trouncing the Dutchmen 78-65.

Another cross-town rival, CATHOLIC CENTRAL, was entertained by our Big Reds. Although the five starters played only the first half, Muskegon was still able to roll up the astounding score of 87-38. The points showed not only our excellent defense, but also the ability and talent of our second and third stringers. If Catholic had not stalled the last four minutes, Muskegon could have easily scored one hundred points.

Following that spectacular win over Catholic, Muskegon traveled to BENTON HARBOR for a rematch. The game was a close one all the way. Roy Krumwiede with only seconds left sank a field goal to give the Big Reds a well-earned 71-68 victory.

The last game of the regular season found Muskegon making the long haul to TRAVERSE CITY. This marked the last game for four members of the squad - Chuck Matthews, Chuck Luhman, Jim Vander Well, and Dave Nelson. Captain Nelson made the most of his final appearance scoring 32 points for a personal as well as a team high, helping his team to an 85-63 victory.

. . . . . As They Hustle To 13 Wins And 2 Losses

The Muskegon Little Reds, led by the scoring of Mel Pierce, Denny MacPherson, and Len Burt, along with the rebounding of Bill Reed and Bill Taylor, turned in an outstanding cage record of thirteen wins and two losses.

Coached by John Partenio, the team opened the season with three straight wins—Muskegon Catholic Central, 50-36; Traverse City, 42-32; and Muskegon Heights, 50-32. After a 47-52 loss at Battle Creek, the Little Reds defeated Grand Haven 66-53 and Grand Rapids Catholic Central 56-41. The team then traveled to Holland where they ran into a fired-up Dutchmen five, losing 48-51. Following the Holland game, Muskegon embarked on an eight game winning streak which carried through the rest of the season. Niles was the first victim, 62-58, followed by Benton Harbor 46-43, Muskegon Heights 37-63, and Grand Haven 51-46. A return game with Holland came next, and Muskegon rose to the occasion, blitzing the Holland five 72-57. Number thirteen on the schedule was Muskegon Catholic Central 59-47, followed by Benton Harbor 49-43 and Traverse City 61-40.

Looks as if the Little Reds didn't let them make too many.

Cross Country Runs to Another Successful Season

Our Cross Country boys getting in shape.

Our M. H. S. Cross Country closed out their third season with an undefeated record of 7-0 in dual meet competition. This year's team placed second at the Hastings Invitational, second in the Regionals at Grand Rapids and sixth in the state meet.

John Saxe proved to be the number one winner on the team by placing first for Muskegon six times; Tony Ramirez and Roger Hamel placed first for Muskegon twice each. In the three-year period since cross-country was renewed at Muskegon the teams have compiled a fine 16-2 record in dual meets.

FIRST ROW: Cross, Kozal, Ramierz, Hyde, Cook. Hughes, Bird, Ross, Myers, German. SECOND ROW: Hammond (Mgr.), Schneider, Ward, DeWitt, Drelles, Schulz, Hartwell, Hasper, Pletcher, Kroll, Hermanson, Hermanson, Hamm, (Mgr.). FOURTH ROW: Steele, Pedler, Filius, Musk, Saxe, Jim Saxe, John, Locke, Albers, Harper, Roberts, Lindberg, Rose.

Thinclads Bring Home Regional Crown

Muskegon High School's 1959 track team, coached by Tom McShannock, came through with a very successful season. The thinclads not only posted an impressive 7-2 mark, but also brought home the Regional's trophy, defeating eight other excellent teams composed of area and Grand Rapids schools. During the course of the season, the Big Reds won consecutive dual meets with Benton Harbor, Catholic Central, Muskegon Heights, and Grand Haven; also included in this string was the Southwest Conference Meet held at Hackley Stadium. That meet, incidentally, marked the end of the old Southwest Conference, which will be replaced next year by the Lake Michigan Athletic Conference. The team rounded out its regulan schedule by trouncing Grand Haven and Muskegon Catholic in a three-way meet held at Catholic's track. By virtue of their performance in the Regional's, ten members of the track squad represented Muskegon High School in the State Meet held at Michigan State University. The ten members and the events they ran in were: Bill Harper and Gene Roberts in the Broad Jump, Bob Green, holder of the Greater Muskegon High Hurdle record, in the High and Low Hurdles, Johnny German in the 440 Yard Dash, Archester Ward in the High Jump, and Tom Schultz, Jim Hasper, Jim Alberts, and Henry Hartwell in the Midlay Relay

Harper goes all out to win the 880 yard relay.

Future Appears Bright For M. H. S. Golfers

The Muskegon Country Club hosted a rough season for our golf squad. Although only winning 2 and losing 9 there was some fine golf displayed. The team finished 8th in State competition and has high hopes for the coming season. Jim Blevins, Bruce Nelson, and Dick Neal will form the nucleus for next year's team.

Raquette Squad Post Impressive Record

Winning the Greater Muskegon Championship was one of the many highlights of the "59" tennis season. The squad, with a 11 win 4 loss record, went on to the regionals at Holland to take second place. Our #1 doubles team almost defeated Holland, qualifying the squad for state competition. With Wright, Caris, and Meeusen back this year, we can expect another fine season.

Jerry VanPelt displays his back-hand.

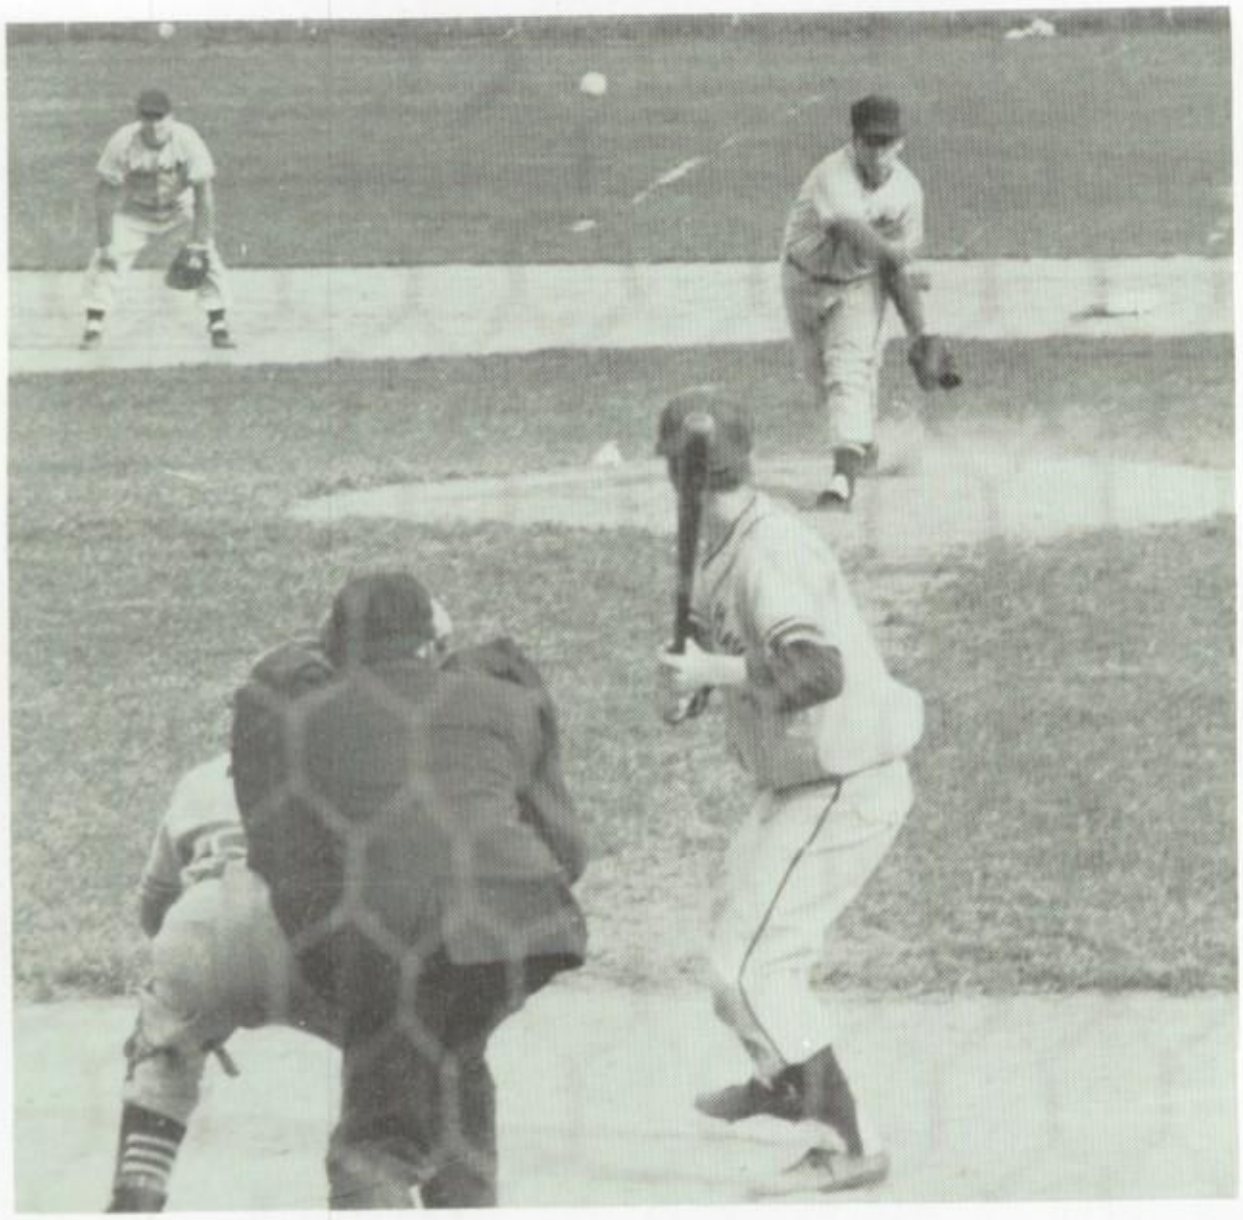
Baseball Experiences Fair Season

Jim Nielsen fires another strike in one of Big Red's games.



There wasn't much to cheer about when it came to the final score in several of the Big Red's games last year. With only 4 wins and 9 loses there was still some fine playing by the members of the squad. Coach Potter's predictions are more promising for this season with several lettermen returning; we expect to see Nielson and Cone on the mound, Recknagle behind the plate, and Jesperson, Erickson, Crosby, and Broughton in the field, and have high hopes for new members reporting to the squad this year.

LEFT to RIGHT: Joanne Johnson, Prisçilla Lindsay, Nancy Weatherbee, Judy Kymes, Linda Wilson, Lynn Kordish, Kathleen Skok, and Julie Wierda demonstrate their versatility.

G. A. A. Sponsors Intramurals

Girls in G.A.A. are very busy earning points for their emblem, "M," and silver pin. Sophomore girls earn a G.A.A. emblem with the participation in three or more sports. When a junior or senior gets 750 points she gets a block "M." The goal of getting the silver pin is reached when a girl has earned 1500 points. Points are earned by participation in the intramural sports sponsored by G.A.A. One-hundred points are given for each sport, twenty-five for a winning team, twenty-five to fifty for officers, and five to ten for captains and officials.

To increase G.A.A. funds, the girls held the first dance of the year, and sold "M" and football pins.

Looking over the agenda for the next G.A.A. meeting are the officers, Ruthann Holman, Joyce Carter, Alice Chamberlain, Glenna Strickler, and Lynn Torrent.

The team heads get together to check soccer lists.

Something new was added to the girls' sports department; and that was the fast moving and exciting game, SOCCER, played every Monday and Thursday night after school. A total of five games were played by: the Girts, Soccerdolls, and Socceretts led by Alice Chamberlain, Louise Crawford, and Glenna Strickler respectively.

Each team consists of eleven players, and a point is scored by an opponent kicking the ball through the goal posts.

"Only the more hardy individuals continued the energy-consuming exercise of running up and down the football field after cold weather sets in," stated Mrs. Zimmerman, advisor.

Femmes Add New Exercise

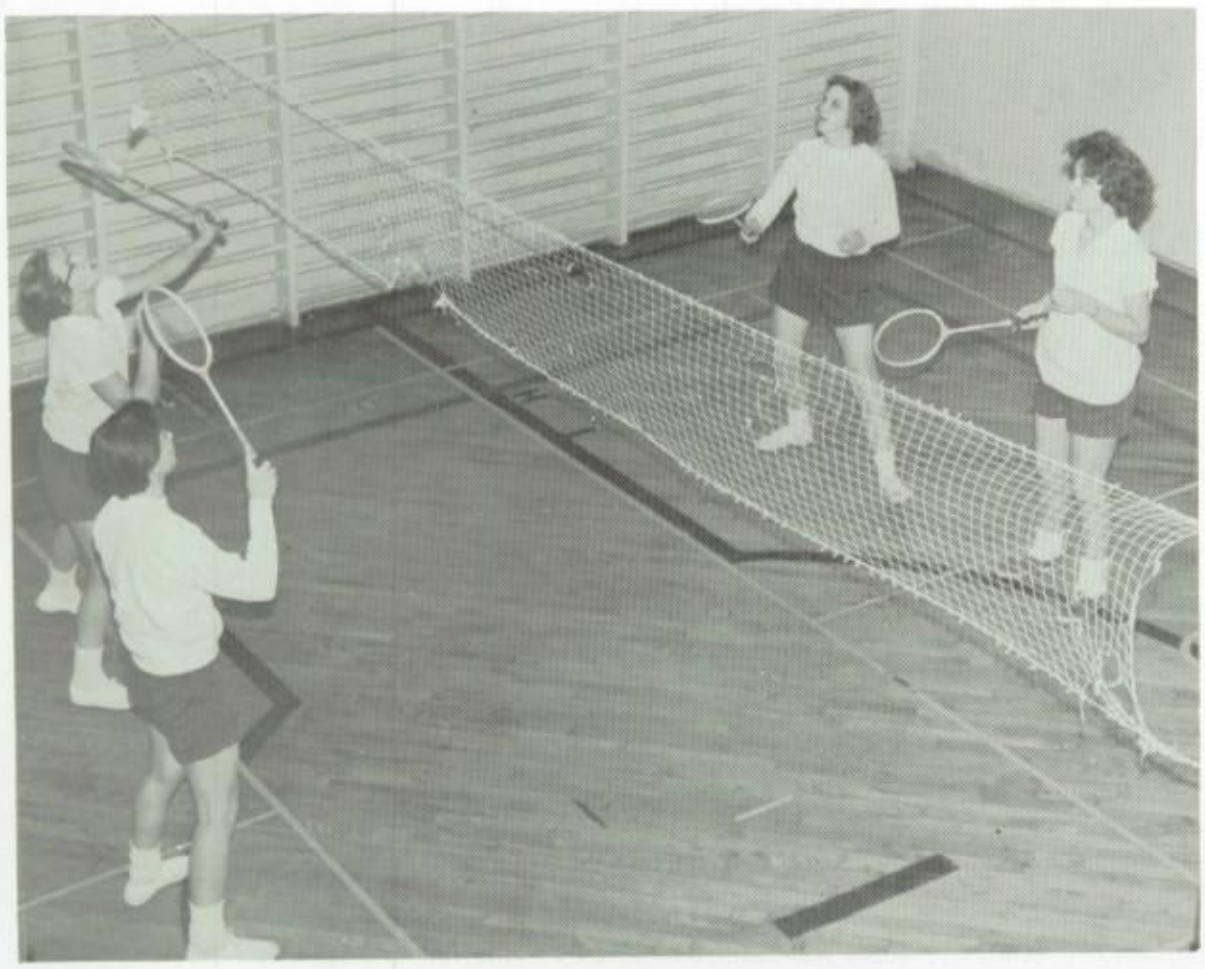
Members of the soccer teams get plenty of exercise.

The object of badminton, a game of skill, is to score fifteen points before your opponent does. A point is scored when the opposing team fails to hit the birdie over the net or hits it out of bounds. It is a game much like tennis only played with smaller rackets and a birdie instead of a ball.

A noisy girls' gym housed the "round robin" tournament of twelve doubles teams. Erdmut Krumnak and Ruthann Holman teamed up to take the championship with an undefeated season.

Ruthann Holman and Erdmut Krumnack show why they were the undefeated champs of the badminton tournament.

Badminton And Deck tenni



While Ardie Edlund watches, Joyce Carter gets to hit the "birdie" over the net to Glenna Strickler or Alice Chamberlain.

Since its origin on board a ship, deck tennis has become very popular both on land and on the high seas. It is highly adaptable to sailing because it is played with a "quoit" or ring instead of a ball. Its popularity has spread to Muskegon Senior High's intramurals for girls. This year six teams competed to find out who would be champions and Cecil DeGroot's team, the Teambeats took top honors.

Smiling over the knowledge of having won the championship of deck tennis are Ruthann Holman, Cecil DeGroot, capt., and Sharon Witmer.

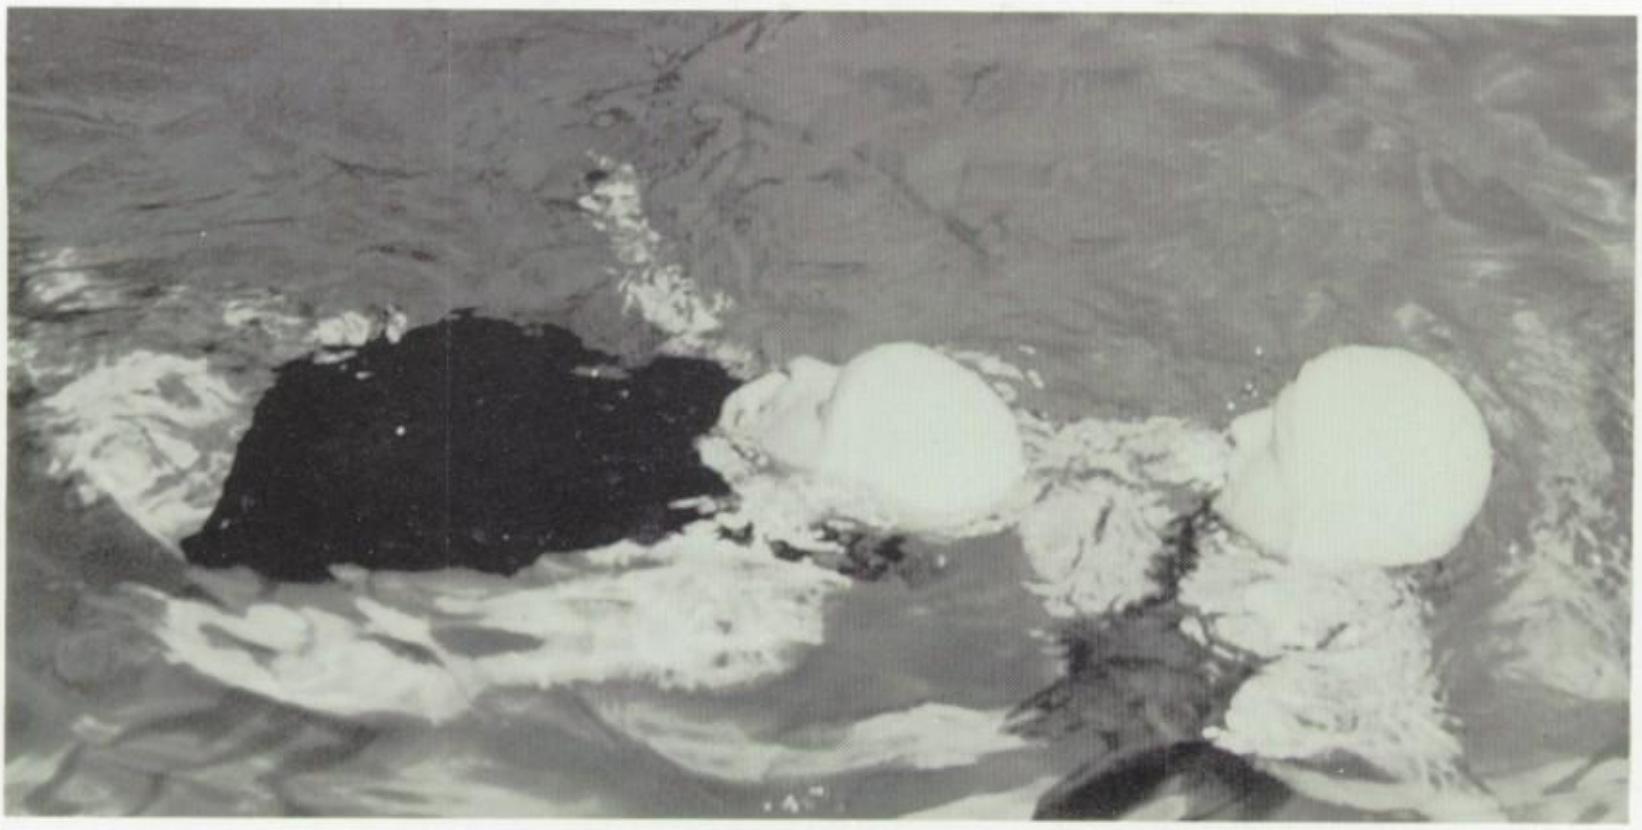
Basketball Equals Excitement Plus Action

This year the girls organized basketball teams on a club basis, i.e. the various clubs sent girls to represent them in the G.A.A. sponsored sport. Five teams were organized representing Y.F.C., Y-Teens, G.A.A., and two independent teams: Robinson's Rowdies, and Klemp's Killers, piloted by Glenna Strickler, Karen McConnell, Barb South, Gwen Robinson, and Barb Klemp respectively.

The Captains of the girls' basketball tournament were Barb South, Gwen Robinson, Karen McConnell, Barb Klemp, and Glenna Strickler.

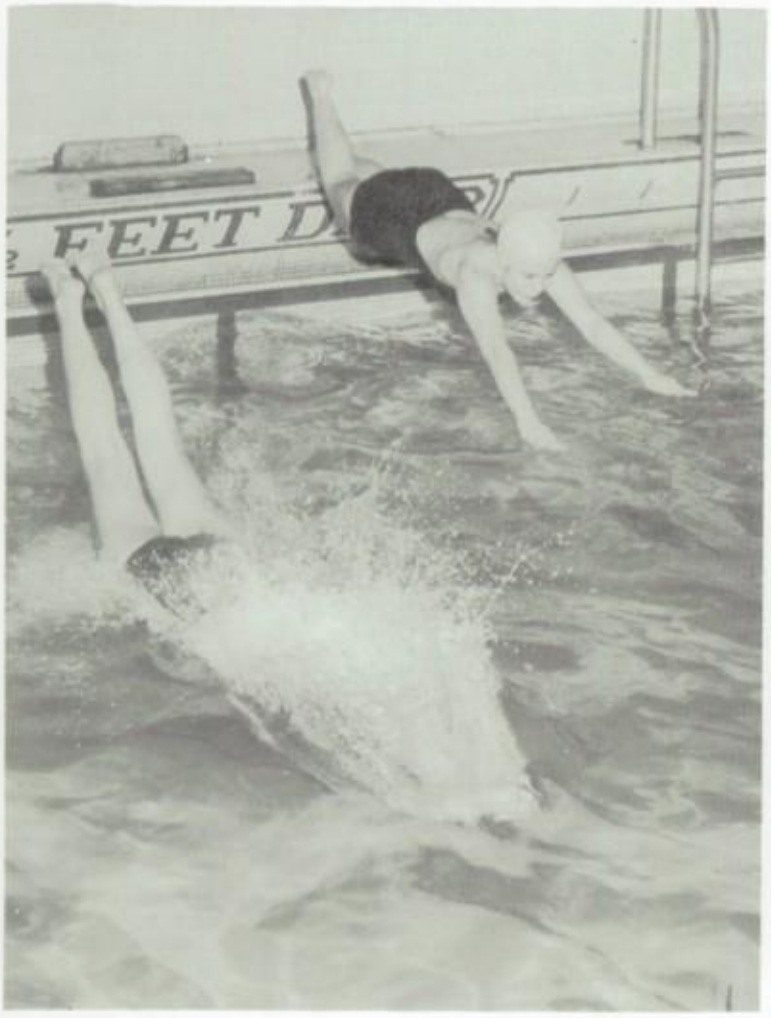


The chin pull as demonstrated by the girls in Senior Life Saving.

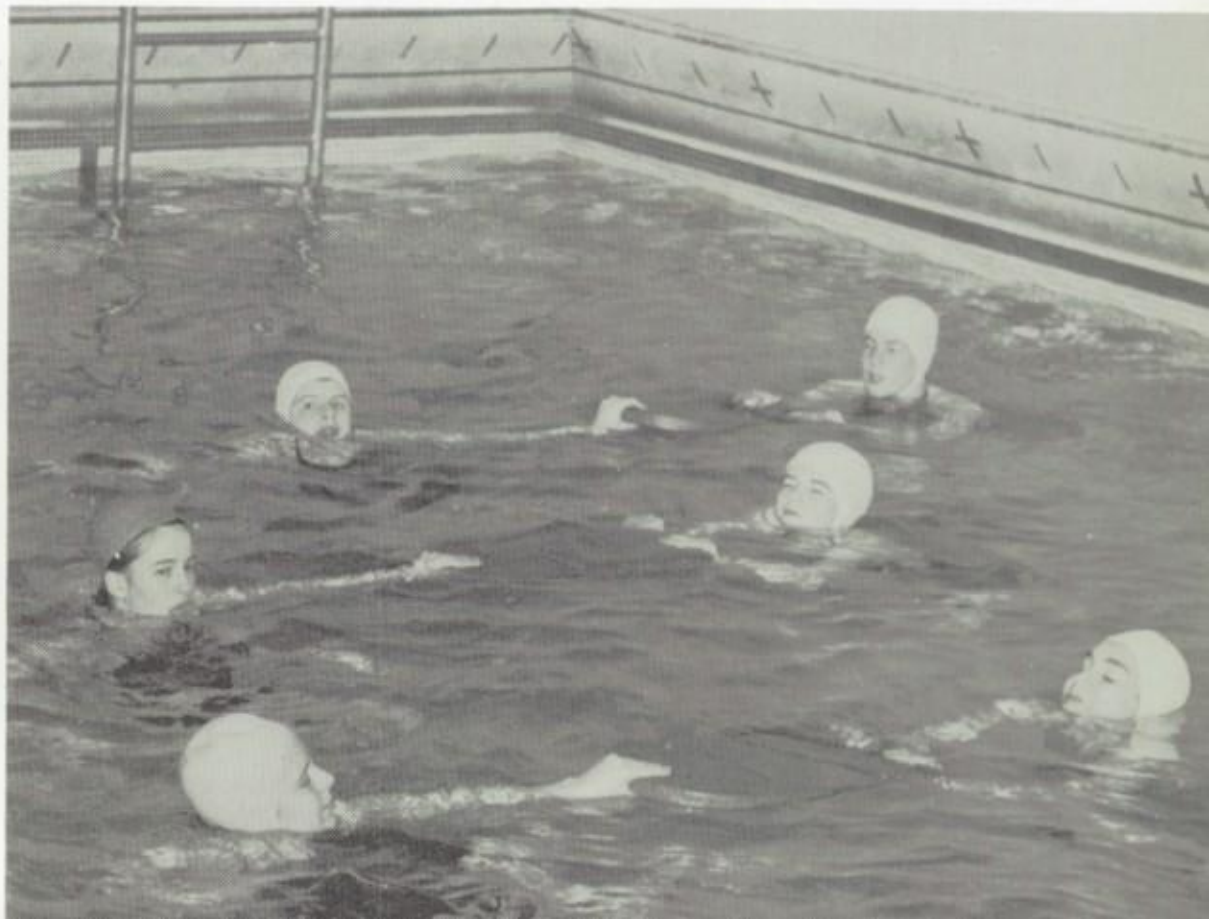
Life Saving Is Hard Work

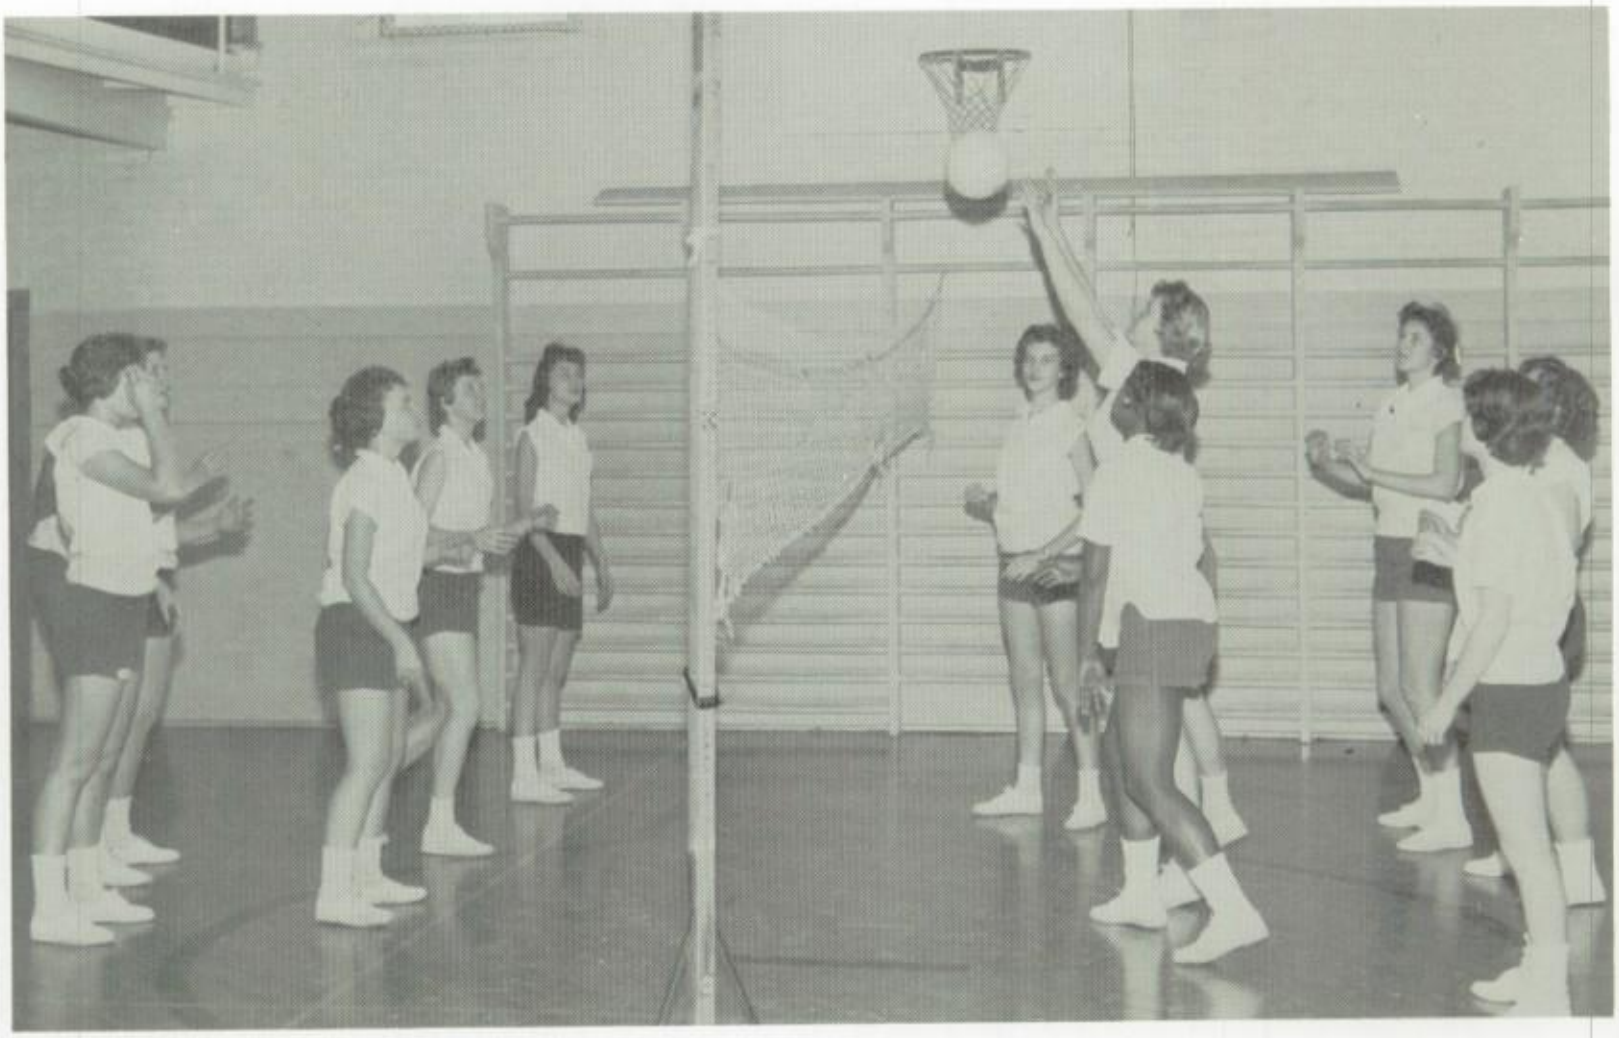
The preliminary test for life saving consists of swimming twelve lengths of the pool, standing dive, and doing a surface dive. After passing the preliminary test, the hard part is yet to come. The girls learn how to disrobe under water, and break victims holds, they also learn different life saving holds and carries. The end of the course brings a difficult written and an equally difficult practical test. When the life savers have finished the course, they have gained a practical knowledge of how to save themselves and others. They earn the satisfaction of a job well done and the pride of being able to wear a little badge signifying they have passed their life saving course. This year Miss Shively led the class which met every Monday and Wednesday night.

Kris Kolberg demonstrates the life saving jump.



Rescuing a victim by means of a board.





Barbara Klemp volleys the ball to Strong's "Tuffies."

Volleyball Rounds Out Group Sport

Help it! Set it up! and Hit it! are familiar cries heard on the volleyball courts. It is an exciting game which demands coordination, expert timing, and co-operation from each teammate.

Because volleyball is one of the last group sports sponsored by G.A.A., the gals turned out to make six to ten teams.

Connie Upton serves the ball in a close matched game while teammates cheer.

Janice Ulmer, Barb Olsen, Nancy Swift, Karen Andreason, and Phyllis Howe wait their turn while Selah Peterson and Shirley Smith keep score.

Bowling Means Action

Strikes, spares, splits, gutter balls and open frames fill the alleys as the noisy girls from M.H.S. fill the Michigan Bowling Alley every Thursday night to bowl in their round robin tournament.

This year there was an exciting race for the top three places between the Rebels, Pin Girls, and the Gutterdusters. A total of sixteen teams competed in the tournament.

To climax this year's exciting tournament the bowlerettes enjoyed a banquet held at The Doo Drop Inn. Here they not only enjoyed excellent and delicious food but received awards they had earned.

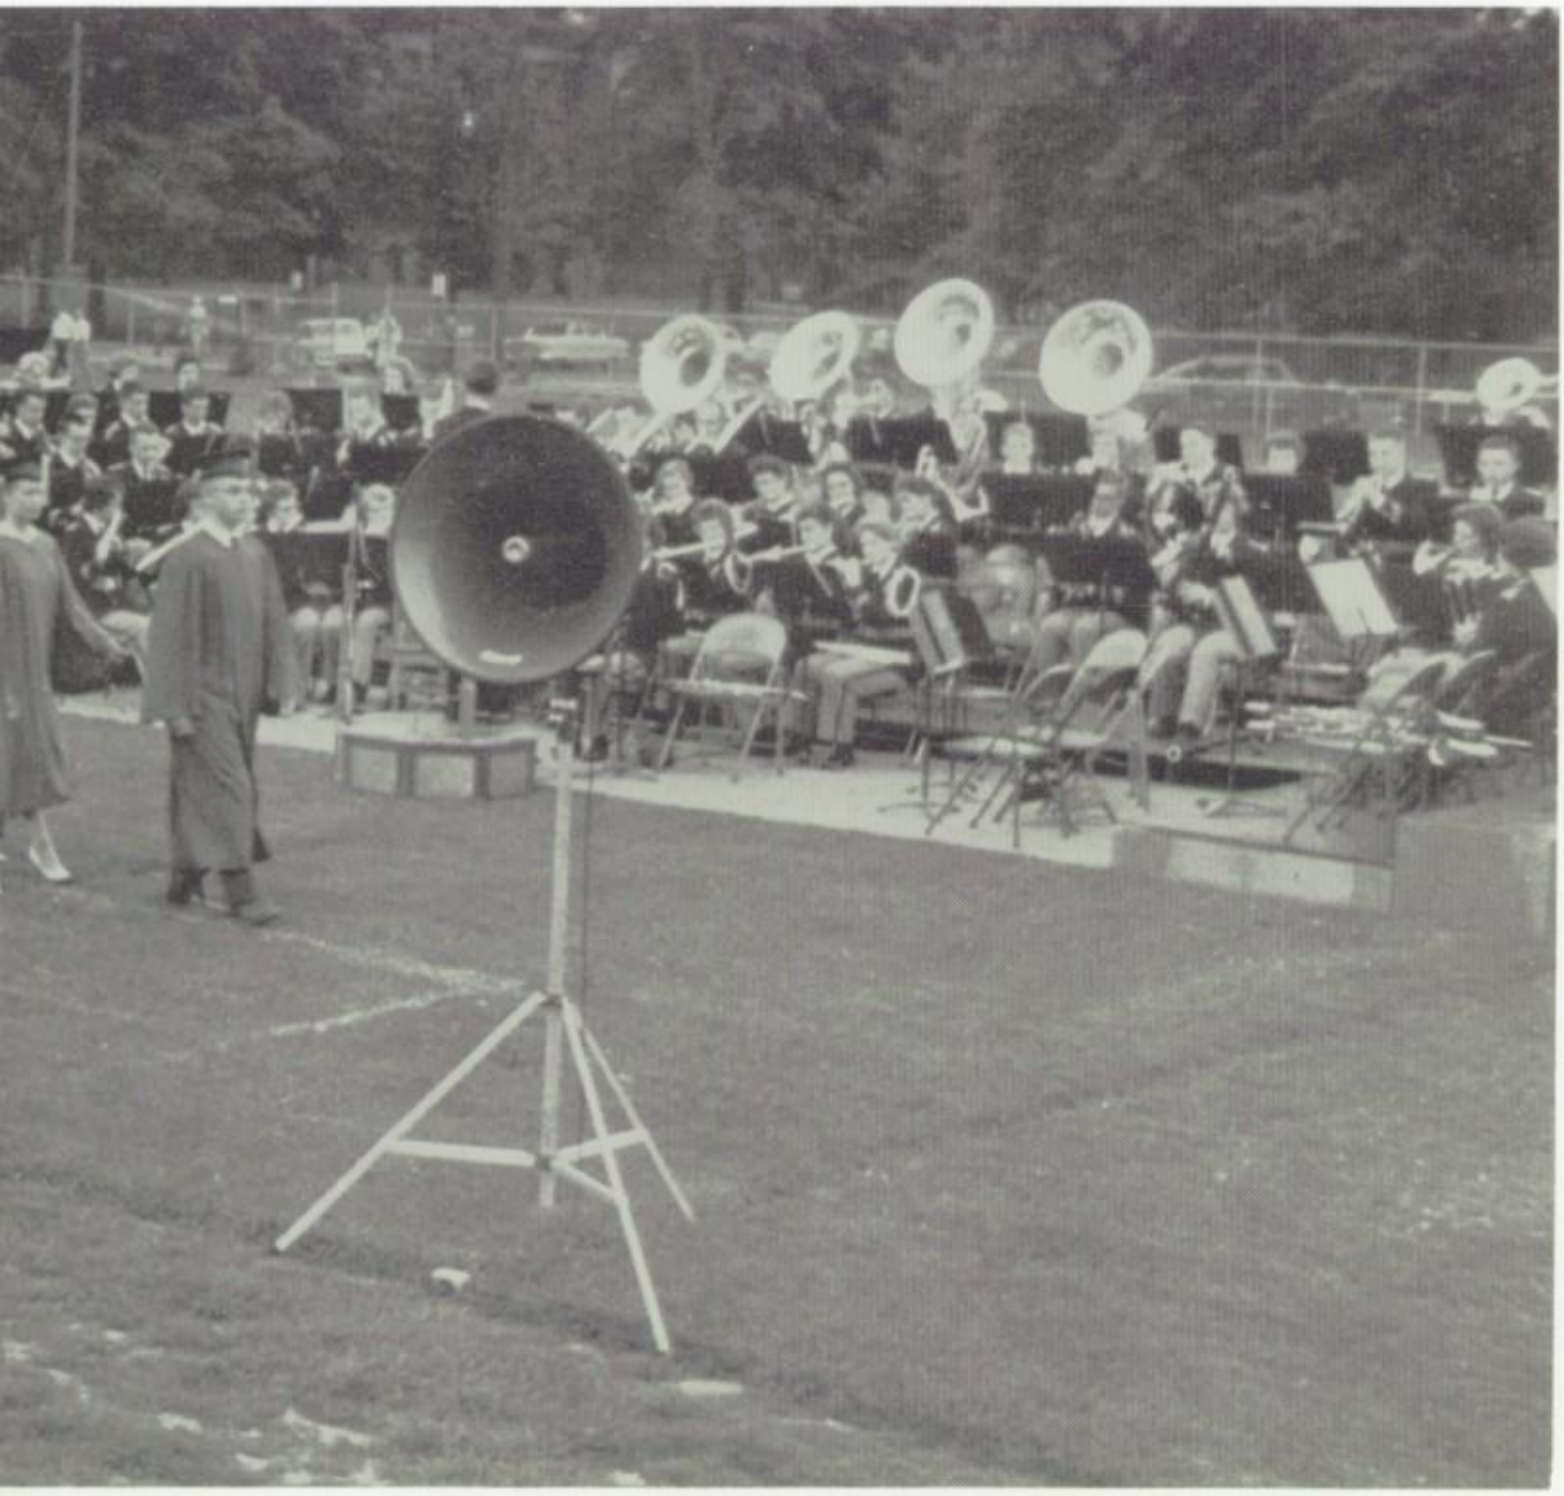
The Year's Hi-Lite



Are Molecular Compounds

The student hi-lites, regular festivals of precious memories, consist of several chemical compounds -- the foremost of which are gaiety, quiet pleasures, ambition, and hard work. The mixtures derived from these compounds contain such major events as noisy pep rallies, a spectacular Homecoming game, the senior prom and play, and graduation exercises. The spirit of the school is well portrayed in this enormous host of activities which provides every scholar with a gala year at M. H. S. -- a year filled with joy and the excitement of class participation.

Come with us now as we enter the campus and halls of learning at our school, Muskegon Senior High School.

Students Find Year Full of Activities

Pauline Chonis and John Kutuchief, leaders in our student government, are viewing some of the trophies that Muskegon Sr. has fought for and so richly deserve.

The start of another school year is a big event at Muskegon Senior High. This year our enrollment of 2251 topped all records and all available space was utilized, including the old junior high, in order to supply enough classrooms. All of these students are banded together by a mutual desire to learn, to improve, and lay a good foundation for their roles as the future leaders of Muskegon, Michigan, and our country.

Representing many lands at M.H.S. are our foreign exchange students. One of our own students, Doug Walvoord, represented our school in Europe this past summer. From left to right: Erdmut Krumnack, from Germany, Turkan Guler, from Turkey, Karsten Simon, from Germany also, and our own "Muskegonite," Doug.

Leadership is Recognized

Central Campus could be classed as a "typical American high school." Why? Because at M.H.S. the student is offered opportunities as in most high schools such as, an enlarged curriculum. The classic "three R's" are taught along with manual arts, social studies, and physical education. A chance to meet foreign exchange students offers the student the chance to view the other side of the world.

Scholastic ability also is recognized at M.H.S. Outstanding students are given tests such as the National Merit to determine ability and comprehension. These tests are open to all students, but those students receiving high scores are eligible for scholarships.

Impressive is Muskegon Senior's number of honor students. The students shown here scored very high on a recent National Merit Scholarship Qualifying Examination. From left to right are Dave Workman, Jan Dephouse, Ken Hunter, Jim Seydel, and Dave Miller. Seated is Mary Wibalda.

Which one and why are the questions M.H.S. seniors are asking themselves about that important college choice. Here we see Judie Paxon, Penny Robertson, Linda Quick, and Jan Murbarger trying to decide which "school of higher learning" suits their needs.

Parents and Students Check on Schoo

During older times, schools were just a place where teachers attempted to teach their reluctant students the basic subjects and little else. Parents, in a new program at M.H.S., visit our school once a year to meet with their child's teachers in an actual classroom situation so they may know and understand the aims of each particular class.

Ruth Ann Gustafson points the way as parents visit M.H.S. on College Night. Many parents feel that by being interested in their teen's work will help the student in the long run. They are right!

Do I have enough credits or don't I? Here we see Lynn Kordish checking her credits to find out if graduation will be a reality or an illusion.

What would we do without our counselors? MHS students know the value of a trained person who helps each student make the right decisions. Miss Reid helps Jane Rasey.

Conferences Help

In Muskegon Senior High it is important that each student gets individual attention for planning his future. In their last year in junior high, students decide on the type of course and subjects they are going to follow in high school. Sophomores and juniors have consultation each year with our counselors to help them with any problems. Seniors can contact colleges through our office and also investigate various scholarships offered in their field. If students are planning on a job instead of further education, then it is possible for them to go on a co-operative training program. So throughout their three years at M.H.S. all students are guided.

Offering a Christmas sales course at Muskegon High gave area high schoolers a chance to earn that extra "pocket" money! This was interview day, when employer received the chance to get to know a prospective employee.

"Beat F-L-I-N-T!" Rita Sayles and Linda Gay display our school spirit at the Pep Rally preceding the game against Flint Northern. Indians and Little Red cheerleaders also contributed to the Booster Club's prize winning float.

Floats, Rally, Queen, Team

The 1959 Homecoming was one to be seen and remembered. Large white mums were sold in the pep assembly preceding the game. A pep rally, sponsored by the Student Council, was held at the football stadium the night preceding the game, complete with an exciting "snake dance," led by our Big Red cheerleaders.

Here we see Bob Greene (no. 15) trying in a last effort to make the Homecoming game a winning one.

Former King, Roger Locke, crowns the 1959 Homecoming king, Terry Locke. Queen Rita Sayles is crowned by last year's queen, Peg Wainright.

Made Homecoming Complete

A successful Homecoming is the result of work, co-operation, and student backing. From left to right are the members of the 1959 Homecoming Committee, Linda Quick, Gretchen Heneveld, Gordon Luhman, and seated is Jeannie Hines.

All big projects seem to have their "unsung heroes." Such a project was our "Homecoming." This year a Student Council committee, led by Jeannie Hines, worked hard to make this one of the biggest and best events ever at M.H.S. according to popular opinion. Many alumni returned to M.H.S. to watch our team and re-live, for an evening, their high school days.

Even the teachers at M.H.S. boost our school spirit as is displayed by Mr. John Toppen, special administrative assistant, aiding the Booster Club in posting signs to urge on our Big Reds.

School Spirit Runs High

Bedraggled M.H.S.er's cheer on our Big Reds as they score the winning touchdown against our arch rivals, Muskegon Heights.

What is school spirit? Is it just the wild cheering for a winning team or the patriotic backing for a losing team? In either case M.H.S. has it, with a student body who has gone through more than its share of disappointing seasons, yet has always backed its team. Each year this spirit is brought to a peak by the last football game of the year, against Muskegon Heights. This year, bolstered by three straight wins, our Big Reds were supercharged and toppled the Tigers for the fourth win in a series.

For a Victory Over The Big Reds

Before a big game, especially against the Heights Tigers, various preparations are made to encourage our team. A pep assembly was held at which every "Muskie" booster displayed, quite audibly, his confidence in our Big Reds. After our victory over the Tigers, we boasted of our marvelous plays at the Said and Done's dance, Superstition Swing. The game fell on a Friday, the 13th!

Working hard on decorations for the dance, Superstition Swing, are members of our yearbook staff, Karen Andreason, Joyce Hulka, and Judy D'Alcorn.

"Speech, Joe!" John Kutuchief, our excited Student Council president, drags the microphone over to co-captain Joe Rhodea for his opinion on a terrific Muskegon, Muskegon Heights game. Terry Locke, our other co-captain, stands proudly in the background.

Spirit and more spirit is added to M.H.S. pep assemblies by our Indian dancers. Glen Swartzlander is getting ready to dance us onto another victory!

Where would football be without players? Getti a helping hand from their fathers on Dad's Night is c school's pride and joy. With their fathers watching a

e students and faculty cheering their lungs out, we n't lose!

Dave Hall, our other fine Indian dancer, is set to leap into action. Win or lose, our Indians are symbols of the never dying Muskegon High School spirit.

Make Games Colorful

Part of each football game at senior high is our half-time show put on by our band, directed by Mr. Stewart. Their various original formations, in which they are assisted by our majorettes, are looked forward to by "Muskegonites" at all home games during the football season. Our two Indian mascots, symbolic of our team name, do authentic Indian dances at pep meeting and games with the band serving as a background.

Stepping high and leading our nationally known band with that extra added attraction are our majorettes from left to right, Sheri Vander Sys, Ann Bos, Paula Movey, Barbara South, Betty Pickel, and Roger Gudelsky as drum major.

Leading a procession of students on a "snake dance," our cheerleaders demonstrate their vim and vitality.

Varsity, Reserve Team Cheerleaders

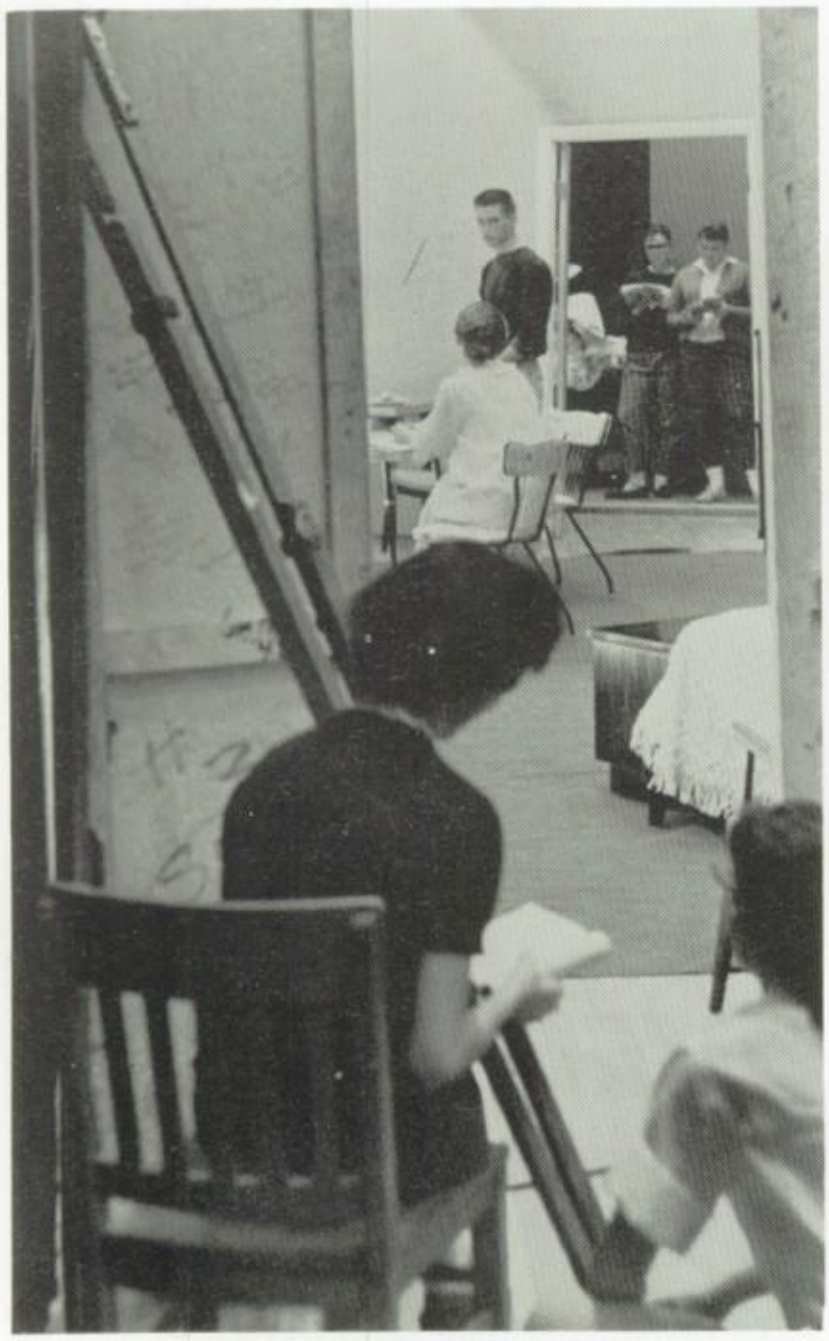
"Little Reds, Fight!" And they did! Led by these five fine cheerleaders, the Little Reds triumphed in football and basketball. From left to right are Barb Kiecka, Loretta Camastos, Virginia Elliott, Sheryl Kienke, and Sandy Benedict.

The Little Reds were an indication of what M.H.S. may expect next year in the field of sports. From all statistics, the Greater Muskegon area may look for some title holders in the near future.

"Now here's the way it's done," stated Mrs. Gillaspie, the cheerleaders new advisor as she demonstrated a new routine.

Exhibit Snap And Verve

Pulling equally hard for our Big Reds in football as well as basketball were our Muskie cheerleaders - from left to right: Terry Collinge, Linda Gay, Sally Anderson, Rita Sayles, and Donna Johnson.



Peeping cautiously through the curtain are the backstage workers for the 1959 Senior Play, "Nuts in May," directed by Franklin Poling.

Muskegon High School never has a dull moment! If it isn't some sport activity going on at the Alma Mater, you may find an equally fine play in progress. Assemblies planned for the entertainment of the students are always in the making. Muskegon generally has its doors wide open for public use also. M.H.S. may be called the school of many faces, open for a free education in both the arts and sciences.

Drama, Comedy, Pageant

"You don't mean ----------" asks Lisabeth Cayan of Wm. Risk as Pam Buitendorp looks on. A scene from the Senior Class play, "Nuts in May."

Our high school has tried to further the abilities of the gifted few in acting by such clubs as Masque Dramatic Society and National Thespian Society. We can be proud of what these clubs are doing to raise the standing of our high school. Masque presented the dynamic three act play JANE EYRE in the fall typifying the kind of work we can expect of the coming Masque members. National Thespians presented a comedy.

Chris Hartman as Jane and Tom Carlson as Rochester portray one of the more intense scenes in "Jane Eyre," a moving and emotional love story.

Filled Students Playbills

Priscilla Hansen and Miranda Jones looks on in bewilderment as Don Basham and Sharon Petterson attempt to solve one of the complex problems in the frolicking comedy, "Take Care of My Little Girl," put on by the National Thespians.

That last all important assembly, where the seniors were honored is finally under way. Fruits of hard work and diligence were brought to light as the proud seniors made their way to the platform to receive their hard earned merits in the Honors Assembly.

Not Dalton's Atomic theory, but the theory of good advertising furnishes the requisite finances to publish a yearbook. In appreciation for the support of these, Muskegon's merchants and businessmen, we ought to give our attention to the numerous goods and salable products with which they deal.

THE DOOR OF OPPORTUNITY

For 49 years graduates of Greater Muskegon high schools have found rewarding opportunities for employment with Sealed Power Corporation.

There are good jobs to begin with. There are better jobs ahead for men and women who develop and prepare themselves for more responsible positions.

Many have used this door of opportunity in the past and are earning a rewarding livelihood. Even more important, they have made possible the phenomenal growth of a company which contributes much toward the growth and prosperity of the Muskegon area.

Now, as one of Muskegon's largest employers, Sealed Power offers even greater opportunities to the alert young men and women graduating from Greater Muskegon high schools in 1960.

In Conclusion- - - - - -

As you have followed the activities of Muskegon Senior High School we hope you have had a glimpse of our world of many interests, a truly dynamic place. **This** has been a year of many changes on our campus and indications are favorable for more to come in the near future. We hope that you have enjoyed re-living this year as you turned the pages of this volume.

to party.

Dear Dan,
I'm not a beatnick, but
ke man I detest that jazz
bout "good luck," "swell gal,"
just sounds hollow 'cause
s used too often.
It certainly has been one
onderful year. I know I'll
e you again somewhere - who
nows - maybe I'll bump
nto you walking along the
ine!
Bonne Chance!
Votre amie,
Ann Finucan

Dan,
Best of luck
after graduation.
It's been wonderful
knowing you at
Bunker Hill H.S.
Hope to see you
often in the
future.

Nan,
always remember the fun 312.
we had in homeroom
the best of everything always
to a real sweet gal.
Mary Wibalda

Nan,
Remember dear ole
Sociology class and
all our teachers.
all the fun.
Best of luck always
in whatever
plan on doing
Be good
Connie Ue

Nan,
Good luck to a
real sweet gal & a
fellow Bunkerite. May
your always remember
our fun & of course
M.H.S. Best of luck in all
you do. Be good & have
fun.

Nan,
Best of luck to
a real sweet
gal with real
pretty red hair
Keep up the good
work & be good
Earl South

Mom,
Lets get together
and play some golf
this summer after
graduation. Be nice to
Larry and keep going with
him. maybe we will
have a foursome some time.
Best of luck in the future
and be good.
your golfing pal,

Dear Nan, I think
all the kids in Mods, I had
miss you most. We really had
some good times. You are one of those
rare people who have a
rare personality & sense of humor. You
will have the world at your feet.
I Plan on seeing you on TV someday.
Best of luck to you
chapter in your diary. Love me.
Lots of luv
Sue Hall

Nan,
Gee, haven't we
had one great big ball
in good ole mods. All never
forget the fun we have had
going out after acting performance
The best of luck to you
in whatever you attempt.
You're one peach of a kid, Nan
and sure do deserve the
best. Have fun and
think sometimes of - - -

Nan
It's sure been fun
knowing you at MHS
these past three years!
(even if you were in
"Nads" instead of good
ol' A Cappella!) Be good
& have fun this summer.
Maybe I'll see you at
State next year (I hope!)

Nan,
You have been a wonderful friend, & I hope we never lose track of each other.
Have a wonderful time at MSU & maybe I'll see you there some time.

Your friend,
Karen Stromsta

Nan,
We sure have had a wonderful time together in the past years and I sure hope we get together and have fun long after we both go to school in the fall.
I think your absolutely the greatest, your just tops on my list and I sure am lucky to have you for a friend. I wish you all the luck in everything you strive achieve. Always remember the good times in Mads & Home Room, Bunker and especially this summer with our ~~quartet~~ I mean trio. It sure was fun.
Take it easy at Michigan State and most of all take care of that marvelous guy of yours (Larry).

your friend forever & ever & ever,
